- To provide recreational and development activities for young people of the surrounding area
- To provide informal educational programmes for young people
- To provide a safe place for young people to mix with their peers
- To provide incentives to the young people
- To provide an interest and community spirit in young people

Achievements and performance

The youth club had a very short period this year due to COVID.

The children were able to participate in Mini First Aid and Boxing however other planned activities were unable to go ahead due to COVID.

A grant from the Lottery Community Fund received in 2020 was utilised and the sports activity was able to take place outside during the summer months. This was a huge success and enjoyed by all those who participated.

Our funder support is vital in enabling the Youth Club to enrich the lives and experiences of the children in our rural community. Therefore, we take this opportunity to extend a heartfelt thank you to each individual or organisation that has assisted us since we were founded in 2012.

Financial review

The Club ended the period with a balance of £12,037 in our Youth Club Current Account and £250 in cash in hand.

Receipts and payments for the year are summarised on page 4. A net payment of £1,613 was recorded for the year.

Plans for future periods

Atticall Youth Club looks towards 2022-23 with positive enthusiasm whilst welcoming new members and volunteers.

We aim to expand our reach into the community and provide further opportunities for volunteering within the community. We aim to deliver more programmes of interest to the children that are of educational value to them.

We aim to keep Atticall Youth Club fun and interesting for all of its members. With the continued support of funders and volunteers Atticall Youth Club will go from strength to strength.
