Annual report

KISAKYE MINISTRIES
TRUSTEES' ANNUAL REPORT
01 April 2023 to 31 March 2024

The charity's main activities to further its purposes for the public benefit

i. The purposes of the charity are:

- To provide families living in poverty with housing, education and arable land to promote self-sustainability.
- To provide accessible copies of the Bible to those who may otherwise not be able to access it.

ii. Beneficiaries

- *In setting our objectives and planning our activities for the year the trustees have given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities have helped to achieve the charity's purposes and provide a benefit to the beneficiaries.*
- The beneficiaries of the charity's main activities throughout the financial year 01 April 2023 to 31 March 2024 were a community of eight families living in rural Uganda. These families were initially found to be living in poverty and were assisted with housing, education and arable land to promote self-sustainability.
- As each family had already been provided with accessible copies of the Bible in previous years, this main activity was not developed further in the financial year 01 April 2023 to 31 March 2024.

iii. Activities in 2023/2024

- We spent **£23,491.29** on charitable activities in the areas of prevention or relief of poverty. We provided direct support to more than fifty individuals through our projects, explained in more detail below:
- Kisakye Ministries continued to provide funds for the education of forty-three children within the eight* families assisted by the charity (*eleven at nursery school, twenty-three at primary school and nine at secondary school*). **Close to the end of this financial year, one family resettled away from the village in their own housing and sustain themselves..*
- In addition to this, Kisakye Ministries ensured that each of the aforementioned eight families were given emergency food when the crops they had grown on land provided by the charity were not sufficient. This assistance took place at times of greatest need such as when harvests were heavily affected by periods of drought
- Funding was provided to enable sick children to access emergency medical care for illnesses such as malaria and sickle-cell anaemia that would not have been affordable for the families affected. All medical care was administered by healthcare professionals at hospitals or health centres with no connection to Kisakye Ministries.
- The outside of four of the houses in which families assisted by Kisakye Ministries reside were refurbished with plaster and stone.

The charity's main achievements in the year 2023/2024

iv. Achievements

- As the charity's work centres around the 'prevention or relief of poverty', one of Kisakye Ministries' methods of working towards this continues to be providing the possibility of an improved quality of life through access to education. **According to UNICEF, secondary school level enrolment of the poorest 20 per cent of families in Uganda is just 8.2 per cent.** As 'costs associated with education account for 6 out of 10 people leaving school' (<https://www.unicef.org/uganda/what-we-do/education>), Kisakye Ministries aims to ensure that the children in families assisted by the charity have the funding and requirements to finish their education up to secondary level.

Throughout 2023/2024, forty-three children and young people completed their school year and had fees covered by Kisakye Ministries.

- To promote lasting self-sustainability, Kisakye Ministries commits to assisting with emergency food aid only when the harvest already grown by families associated with the charity is finished or spoiled. As a consequence, time spent without sending food aid is viewed as an achievement of sorts. During the 2021/2022 financial year, Kisakye Ministries sent **£5,144.30** of emergency food aid to families. Throughout 2022/2023, **£3,744.02** was necessary. In 2023/24, only **£2,106.09** was sent.

The organisation views it as an achievement that families working towards self-sustainability required 44% less food support this year than last year.

- Kisakye Ministries was able to help in the 'prevention or relief of poverty' by assisting with life-saving medical care throughout the year 2023/24.

Individuals with disabilities, injuries, malaria and sickle-cell anaemia were supported with medical care and remain relatively healthy.

v. Restrictions on who can benefit:

- In order to ensure maximum productivity, effectiveness and accountability, the activities carried out and achieved throughout the year 2023/24 focused on the eight families Kisakye Ministries aims to assist and the approximate fifty-three individuals therein.

vi. Harm: how the charity has mitigated any harm flowing from its purposes

- Throughout the year we communicated regularly with local Ugandan community leaders and representatives to ensure that families and individuals were in receipt of the correct care and gain invaluable local perspectives. This process also enables the charity to anticipate and prevent issues with education, food provision or health care.

vii. Private benefit

- The work of the charity provides families living in poverty with housing, education and arable land to promote self-sustainability. Any private benefit received by nearby businesses, and educational institutions or healthcare bodies is purely incidental to the purposes of our work.

A statement of compliance with the duty to have regard to the Commission's guidance

- In setting our objectives and planning our activities for the year the trustees have given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities have helped to achieve the charity's purposes and provide a benefit to the beneficiaries.

INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF KISAKYE MINISTRIES

I report on the accounts for the year ended 31 March 2023, which comprise the attached Statement of Financial Activity, Statement of Assets and Liabilities, plus all supporting Notes to the Accounts.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act (Northern Ireland) 2008, and it is my responsibility as Independent Examiner to:

- examine the accounts under section 65 of the Charities Act
- follow the procedures laid down in the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act
- state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S REPORT

I have examined your charity accounts as required under section 65 of the Charities Act, and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters.

My role is to state whether any material matters have come to my attention, giving me cause to believe:

1. That the accounting records were not kept in accordance with section 63 of the Charities Act
2. That the accounts do not accord with those accounting records
3. That the accounts do not comply with the accounting requirements of the Charities Act
4. That there is further information needed for a proper understanding of the accounts to be reached.
