- reduced levels of stress and

anxiety caused by dealing with the impact of cancer and other illness or social issues

Public Benefit Statement

The trustees believe that our purposes meet the public benefit requirement we have given grants to children and young people affected by cancer, with no strings attached to spend to give them ' a smile for the journey'. These benefits are evident through feedback and photographs we received from those who receive the 'Smile grants'. These also help lift those who get them and their families as they know they are being regarded and thought about on the difficult journey they are on.

Annual Achievements

We gave out money to children and young people affected by cancer in the form of 'Smile Grants' as we received requests for them through the families themselves or mutual contacts. No money was given to cancer research in this financial year.
