

Dungannon Muslim Community

Register charity number: 107651

Trustee annual report year 31 October 2023 – 30 October 2024

We continuing daily mosque activities by praying 5 times a day in congregation plus reading hadiths and Quran we also have a weekend children quran classes and school home works reviews.

During school holidays or bank holidays the above mentioned activities it's repeated during week days for the children.

Regularly the committee members held a meeting to discuss the community issues and transmit it to the community, also in some occasions we organised a gathering (evening barbecue) depend on the weather condition the purpose of this gathering is to make people happy and feel as a family.

During this year period the mosque benefit with security equipment as alarm system, cctv cameras and security door from Home Office.

Also, during this period of the year exactly last October 25th 2024, the Trustee and committee members decided to call AGM meeting, during the meeting we propose and discus about purchasing a new mosque and to start fundraising for the "new mosque project"

Therefore, we all agreed with the idea, after we started collecting extra voluntary contributions funds within our community to help raise funds to that purpose.

During the blessing month of the Ramadan usually the community spent they most of the time in the mosque by praying, reading Quran and daily Iftar is offered in the Masjid/mosque by volunteers with high number of the people.

After Ramadan we keep celebrating Eid- Al-Fitr in the mosque following food and refreshments services.

During same period of the year, we celebrated some Akkika (new baby born celebration and names), also we celebrated and organised some Nikkahs events (new marriage) all these events took place in the Masjid/mosque.

On the 6th June of the current year, we celebrated Eid al-Adhah, which is the last annual Eid celebration in Islam, with so many guests coming from different areas of the Northern Ireland and Dublin to join us and we celebrated with all community include we invited some non-muslims to celebrate with us as a community.

As well the community benefit with some brothers performing Hajj this year within our community.

We can confirm that our charity account has no assets and liabilities.
