

## Bowtown Community Development Group Annual Report

Another successful year has been and gone for BCDG. This year we focused on helping those affected by the current cost of living crisis. We were in a position to offer support to those most in need with funding obtained from Ards and North Down Borough Council, Cash for Kids and the NIHE's small pockets of deprivation funding. We are extremely happy to report that we helped over 1000 individuals. The help and assistance we provided made a positive impact in their daily life.

We are extremely thankful to our funders and those organisations that continue to support the work we do within the community.

Special thanks to NIHE for their support in all that we do.
