Structure, Governance and Management

Objectives and Activities

1. Charitable Purposes

The purpose of the charity is to promote the advancement of education of children aged between 5 and 11 years old in the area to benefit in the following ways:

- Improved relationships between home and school. The benefit which flow from this purpose includes funding for additional resources for the school and links built with the local community. This is demonstrated through having an active PTA that works in partnership with the school and engages parental support. This purpose does not lead to harm. The benefit is for children at Greystone Primary School. Charity Trustees (PTA Committee Members) are usually parents at the school which their children attend and hence gain benefit in the same way as all other beneficiaries. This benefit is incidental and necessary to ensure the benefit is supplied to all beneficiaries.
- Advancement of the education of pupils in the school. The benefit which flows from this purpose includes increased educational progress and attainment within the school and links built with the local community. This is demonstrated through pupils having access to resources, events, activities, and links with the local

community which are not available through direct school funding. This purpose does not lead to harm. The benefit is for children at Greystone Primary School. Charity Trustees (PTA Committee Members) are usually beneficiaries. This benefit is incidental to ensure the benefit is provided to all beneficiaries.

2. Charitable Activities

The PTA usually runs a wide varied programme of events throughout the year and gives parents, children and teachers the opportunity to meet in a more social context. This was the first year of having a new committee in place and we were not held back by Covid19 restrictions. We had an extremely successful year and held the following activities:

- Provided complimentary tea and coffee at Greystone school open day
- Halloween Disco raised £238.32
- Christmas Fair raised £1624.85
- Christmas Class Party Donation £30 per class (£210)
- Christmas Movie Night raised £450
- Paid ParentMail subscription £1261.60
- Valentines Gifts for Kids £173.75
- Easter Movie Night raised £375
- Easter Raffle raised £104.90
- Guess the Egg Easter competition raised £116.10
- Kings Coronation Free Fun Day for Kids £887.90
- Art supplies for each class £160.02
- Sports Day Tea and Coffee raised £129.03
- Provided complimentary refreshments for P1 induction morning
- End of Year School Trip donations £50 per class (£350)
- Summer Fair

In addition, Parentmail annual subscription of £1261.60 was paid using charity funds. This is a powerful engagement system that bridges the gap between school and home to create better outcomes for pupils. Parentmail is a valuable resource that brings all your school information together in one simple convenient application.

The PTA usually runs a wide varied programme of events throughout the year and gives parents, children and teachers the opportunity to meet in a more social context. The ability of the PTA to run events and fundraise during 2021-22 remained limited due to the Coronavirus pandemic. However, the charity was able to fundraise at Christmas by selling tickets for the annual Greystone Primary PTA Christmas raffle. Our standout event in 2021 was an outdoor Rainbow Run for all pupils. This raised an outstanding £2968. The financial contributions of parents and teachers was spent on creating a Messy Kitchen play area for P1 & P1 pupils to enjoy. The PTA also donated £350 for each class to hold Halloween parties within their respective class bubbles. In addition, Parentmail annual subscription of £1513.92 was paid using charity funds. This is a powerful engagement system that bridges the gap between school and home to create better outcomes for pupils. Parentmail is a valuable resource that brings all your school information together in one simple convenient application.
