## Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 30 September 2024.

### **Objectives and activities**

#### *Objects and aims*

The charitable purpose of Grace Community Church (Ireland) Limited is the advancement of the Christian religion for the benefit of the public in the area of benefit.

The principal function is to relieve the poverty and the advancement of education and to provide facilities in the interest of welfare with the object of improving the conditions of life for said inhabitants.

#### *Public benefit*

The direct benefits flowing from advancement of religion include holding weekly church services, mid week gatherings and small groups which are open to anyone.

A direct benefit comes from providing facilities at a community hub in Richhill. This community space is a place for different groups in the community to meet.

### **Trustees and officers**

The trustees and officers serving during the year and since the year end were as follows:

Trustees:	Mr Neil Dawson
	Mr David Allan McBride
	Mr Neville William Garland

The trustees meet regularly to discuss the broad strategy of the charity.

### Objectives and Activities

The principal activities of the charity are to support and facilitate the Church, raise awareness and understanding of Evangelical Christian beliefs and practices. Carry out missionary and outreach work within the community served by the church as well as holding regular public worship services in the context of the Church.

### Headquarters

Our office and administrative address is 1 Blenheim Court, Richhill BT61 9JQ. The main activity of our charity takes place at The Hub, Richhill. We have been leasing this building since November 2019. The facilities at The Hub allow the charity to hold weekly church services, mid week services and youth clubs. The building is also available for community use and is currently used by a speech and drama group, a group for those with additional needs and for group community meetings.

## Trustees' Report

### Finances

Funds are raised by way of contributions, donations, grants and any other lawful method towards the aims of the charity. Church attendees give financially on a weekly or monthly basis either in cash or online. For those eligible we are able to claim gifted on their donations. We have also been able to obtain grants for the youth work we do and a grant towards building renovations. This has allowed us to continue giving funds to the charitable projects we have chosen while still covering the cost of leasing and running the hub. The charity endeavours to keep a prudent amount in reserve for cash flow purposes but most funds are spent in the short term.

### Children and Youth

Since September, 2021 we have been running weekly youth clubs for primary 6 and 7 and one for 1st to 3rd years. Across the two programs we have around 150 children and young people registered.

This is also the third year we have run a community week called I Heart Richhill with a week long program for children and young people. We have two days of community projects where we do litter picks to clean up the village, a morning club for primary aged children and evening youth club for high school aged young people.

The weekly parent and toddler group is continuing and has good engagement from the community. There is a play space and activities provided for the children, tea and coffee is provided for the adults.

One Sunday mornings we have a weekly preschool program, a bi-monthly Sunday school program for primary 1 - 1st years and a monthly breakfast club for high schoolers.

### Prayer Space

Last year we opened a community prayer space in a small portacabin in the grounds of the Hub. Prayer is an integral part of the charity and we have seen people from our community engaging in the use of this space. We will continue to use this space to host monthly prayer days, prayer events and is available to those within our community to want to make use of it. We hope to increase the use of it in the next year and have more engagement from the local community.

### Future Plans

Community engagement has continued to increase from last year and the charity feels it is important to keep focusing funds in the area, improving the existing programs and developing new programs. The Hub building is limited in space and this can be challenging for the needs of our church. We are still looking into other building possibilities within the village. We are also hoping to develop the outside space we have including create and open outdoor room for young people to use during the week as well as making use of it for our community programs.

## **Structure, governance and management**

### *Nature of governing document*

The charity is a company limited by guarantee, governed by its Memorandum and Articles of Association. It has been granted charitable status by The Charities Commission for Northern Ireland under registration number NOC107784.

# Grace Community Church (Ireland) Limited

## Trustees' Report

### Financial instruments

#### *Objectives and policies*

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

#### *Credit risk*

The charity's principal financial assets are bank balances and cash, trade and other receivables, and investments. The charity's credit risk is primarily attributable to its trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows. The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies. The charity has no significant concentration of credit risk, with exposure spread over a large number of counterparties and customers.

#### *Liquidity risk*

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity uses a mixture of long-term and short-term debt finance. Further details regarding liquidity risk can be found in the Statement of accounting policies in the financial statements.

### Statement of trustees' responsibilities

The trustees (who are also the directors of Grace Community Church (Ireland) Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

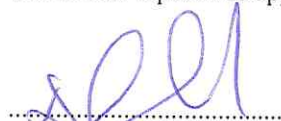

## Grace Community Church (Ireland) Limited

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## Notes to the Financial Statements for the Year Ended 30 September 2024

### 1 Charity status

The charity is limited by guarantee, incorporated in Northern Ireland, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £Nil towards the assets of the charity in the event of liquidation.

The address of its registered office is:

1 Blenheim Court  
Richhill  
Armagh  
BT61 9JH

These financial statements were authorised for issue by the trustees on 19 June 2025.

### 2 Accounting policies

#### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

#### Basis of preparation

Grace Community Church (Ireland) Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

#### Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

#### Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

## Grace Community Church (Ireland) Limited

### Notes to the Financial Statements for the Year Ended 30 September 2024

#### *Donations and legacies*

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

#### *Grants receivable*

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### *Raising funds*

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

#### **Support costs**

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

#### **Government grants**

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

## Grace Community Church (Ireland) Limited

### Notes to the Financial Statements for the Year Ended 30 September 2024

#### Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### Tangible fixed assets

Individual fixed assets costing £100.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

#### Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Furniture and equipment	20% straight line

#### Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

#### Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

A direct benefit comes from providing facilities at a community hub in Richhill. This community space is a place for different groups in the community to meet.

#### **Trustees and officers**

The trustees and officers serving during the year and since the year end were as follows:

Trustees:	Mr Neil Dawson
	Mr David Allan McBride
	Mr Neville William Garland

The trustees meet regularly to discuss the broad strategy of the charity.

#### Objectives and Activities

The principal activities of the charity are to support and facilitate the Church, raise awareness and understanding of Evangelical Christian beliefs and practices. Carry out missionary and outreach work within the community served by the church as well as holding regular public worship services in the context of the Church.

#### Headquarters

Our office and administrative address is 1 Blenheim Court, Richhill BT61 9JQ. The main activity of our charity takes place at The Hub, Richhill. We have been leasing this building since November 2019. The facilities at The Hub allow the charity to hold weekly church services, mid week services and youth clubs. The building is also available for community use and is currently used by a speech and drama group, a group for those with additional needs and for group community meetings.

### Trustees' Report

#### Finances

Funds are raised by way of contributions, donations, grants and any other lawful method towards the aims of the Charity. Church attendees give financially on a weekly or monthly basis either in cash or online. For those eligible, we are able to claim gift aid on their donations. We have also been able to obtain grants for the youth work we do and a grant towards building renovations. This has allowed us to continue giving funds to the charitable projects we have chosen while still covering the costs of leasing and running the Hub.

The charity endeavours to keep a prudent amount in reserve for the cash flow purposes but most funds are spent in the short term.

#### Children and Youth Club

Since September, 2021 we have been running weekly youth clubs for primary 6 and 7 and one for 1st to 3rd years. Across the two programs we have around 140 children and young people registered. This is also the second year we have run a community week called I Heart Richhill with a week long program for children and young people. We have two days of community projects where we do litter picks to clean up the village, a morning club for primary aged children and evening youth club for high school aged young people.

A new weekly group has started for parents and preschoolers. There is a play space and activities provided for the children, tea and coffee is provided for the adults.

#### Prayer Space

We have opened a community prayer space in a small portacabin in the grounds of the Hub. Prayer is an integral part of the charity so it was important for a space to be created to facilitate this and that will be space for the whole community. Going forward the space will be used to host monthly prayer days, prayer events and available to those within our community to want to make use of it.

#### Future Plans

Community engagement has continued to increase from last year and the charity feels it is important to keep focusing funds in the area, improving the existing programs and developing new programs. The Hub building is limited in space and this can be challenging for the needs of our church. We are looking into other building possibilities within the village.

### **Structure, governance and management**

#### *Nature of governing document*

The charity is a company limited by guarantee, governed by its Memorandum and Articles of Association. It has been granted charitable status by The Charities Commission for Northern Ireland under registration number NOC107784.

#### **Financial instruments**

#### *Objectives and policies*

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

## Grace Community Church (Ireland) Limited

### Trustees' Report

#### *Credit risk*

The charity's principal financial assets are bank balances and cash, trade and other receivables, and investments. The charity's credit risk is primarily attributable to its trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

The charity has no significant concentration of credit risk, with exposure spread over a large number of counterparties and customers.

#### *Liquidity risk*

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity uses a mixture of long-term and short-term debt finance.

Further details regarding liquidity risk can be found in the Statement of accounting policies in the financial statements.

#### **Statement of trustees' responsibilities**

The trustees (who are also the directors of Grace Community Church (Ireland) Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

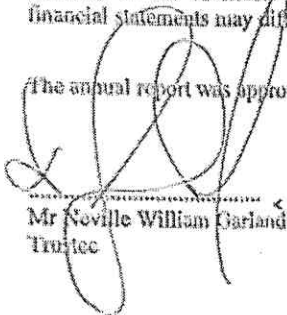

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Grace Community Church (Ireland) Limited**

**Trustees' Report**

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The annual report was approved by the trustees of the charity on 18 June 2024 and signed on its behalf by:

### Notes to the Financial Statements for the Year Ended 30 September 2023

#### 1 Charity status

The charity is limited by guarantee, incorporated in Northern Ireland, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £Nil towards the assets of the charity in the event of liquidation.

The address of its registered office is:

1 Blenheim Court  
Richhill  
Armagh  
BT61 9JH

These financial statements were authorised for issue by the trustees on 18 June 2024.

#### 2 Accounting policies

##### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

##### Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

##### Basis of preparation

Grace Community Church (Ireland) Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

##### Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

##### Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

##### Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

## Grace Community Church (Ireland) Limited

### Notes to the Financial Statements for the Year Ended 30 September 2023

#### *Grants receivable*

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### *Raising funds*

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

#### **Support costs**

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

#### **Government grants**

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### **Tangible fixed assets**

Individual fixed assets costing £0.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

#### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

## Grace Community Church (Ireland) Limited

### Notes to the Financial Statements for the Year Ended 30 September 2023

<b>Asset class</b>	<b>Depreciation method and rate</b>
Furniture and equipment	20% straight line

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Borrowings**

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

#### **Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

## Grace Community Church (Ireland) Limited

### Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 30 September 2023.

#### **Objectives and activities**

##### *Objects and aims*

The charitable purpose of Grace Community Church (Ireland) Limited is the advancement of the Christian religion for the benefit of the public in the area of benefit.

The principal function is to relieve the poverty and the advancement of education and to provide facilities in the interest of welfare with the object of improving the conditions of life for said inhabitants.

##### *Public benefit*

The direct benefits flowing from advancement of religion include holding weekly church services, mid week gatherings and small groups which are open to anyone.

A direct benefit comes from providing facilities at a community hub in Richhill. This community space is a place for different groups in the community to meet.

#### **Trustees and officers**

The trustees and officers serving during the year and since the year end were as follows:

Trustees:	Mr Neil Dawson
	Mr David Allan McBride
	Mr Neville William Garland

The trustees meet regularly to discuss the broad strategy of the charity.

#### Objectives and Activities

The principal activities of the charity are to support and facilitate the Church, raise awareness and understanding of Evangelical Christian beliefs and practices. Carry out missionary and outreach work within the community served by the church as well as holding regular public worship services in the context of the Church.

#### Headquarters

Our office and administrative address is 1 Blenheim Court, Richhill BT61 9JQ. The main activity of our charity takes place at The Hub, Richhill. We have been leasing this building since November 2019. The facilities at The Hub allow the charity to hold weekly church services, mid week services and youth clubs. The building is also available for community use and is currently used by a speech and drama group, a group for those with additional needs and for group community meetings.

## Trustees' Report

### Finances

Funds are raised by way of contributions, donations, grants and any other lawful method towards the aims of the Charity. Church attendees give financially on a weekly or monthly basis either in cash or online. For those eligible, we are able to claim gift aid on their donations. We have also been able to obtain grants for the youth work we do and a grant towards building renovations. This has allowed us to continue giving funds to the charitable projects we have chosen while still covering the costs of leasing and running the Hub. The charity endeavours to keep a prudent amount in reserve for the cash flow purposes but most funds are spent in the short term.

### Children and Youth Club

Since September, 2021 we have been running weekly youth clubs for primary 6 and 7 and one for 1st to 3rd years. Across the two programs we have around 140 children and young people registered. This is also the second year we have run a community week called I Heart Richhill with a week long program for children and young people. We have two days of community projects where we do litter picks to clean up the village, a morning club for primary aged children and evening youth club for high school aged young people. A new weekly group has started for parents and preschoolers. There is a play space and activities provided for the children, tea and coffee is provided for the adults.

### Prayer Space

We have opened a community prayer space in a small portacabin in the grounds of the Hub. Prayer is an integral part of the charity so it was important for a space to be created to facilitate this and that will be space for the whole community. Going forward the space will be used to host monthly prayer days, prayer events and available to those within our community to want to make use of it.

### Future Plans

Community engagement has continued to increase from last year and the charity feels it is important to keep focusing funds in the area, improving the existing programs and developing new programs. The Hub building is limited in space and this can be challenging for the needs of our church. We are looking into other building possibilities within the village.

## **Structure, governance and management**

### *Nature of governing document*

The charity is a company limited by guarantee, governed by its Memorandum and Articles of Association. It has been granted charitable status by The Charities Commission for Northern Ireland under registration number NOC107784.

### **Financial instruments**

### *Objectives and policies*

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

## Grace Community Church (Ireland) Limited

### Trustees' Report

#### *Credit risk*

The charity's principal financial assets are bank balances and cash, trade and other receivables, and investments. The charity's credit risk is primarily attributable to its trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

The charity has no significant concentration of credit risk, with exposure spread over a large number of counterparties and customers.

#### *Liquidity risk*

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity uses a mixture of long-term and short-term debt finance.

Further details regarding liquidity risk can be found in the Statement of accounting policies in the financial statements.

#### **Statement of trustees' responsibilities**

The trustees (who are also the directors of Grace Community Church (Ireland) Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

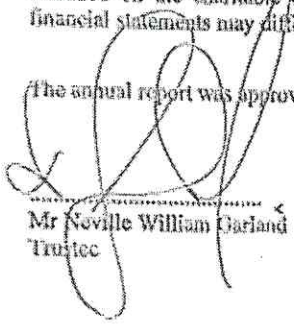

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 30 September 2022.

#### **Objectives and activities**

##### ***Objects and aims***

The charitable purpose of Grace Community Church (Ireland) Limited is the advancement of the Christian religion for the benefit of the public in the area of benefit.

The principal function is to relieve the poverty and the advancement of education and to provide facilities in the interest of welfare with the object of improving the conditions of life for said inhabitants.

##### ***Public benefit***

The direct benefits flowing from advancement of religion include holding weekly church services, mid week gatherings and small groups which are open to anyone.

A direct benefit comes from providing facilities at a community hub in Richhill. This community space is a place for different groups in the community to meet.

#### **Trustees and officers**

The trustees and officers serving during the year and since the year end were as follows:

Trustees:	Mr Neil Dawson
	Mr David Allan McBride
	Mr Neville William Garland

The trustees meet regularly to discuss the broad strategy of the charity.

#### **Objectives and Activities**

The principal activities of the charity are to support and facilitate the Church, raise awareness and understanding of Evangelical Christian beliefs and practices. Carry out missionary and outreach work within the community served by the church as well as holding regular public worship services in the context of the Church.

#### **Headquarters**

Our office and administrative address is 1 Blenheim Court, Richhill BT61 9JQ. The main activity of our charity takes place at The Hub, Richhill. We have been leasing this building since November 2019. The facilities at The Hub allow the charity to hold weekly church services, mid week services and youth clubs. The building is also available for community use and is currently used by a speech and drama group, a group for those with additional needs and for group community meetings. Since last year, with the relaxing of Covid-19 restriction we have seen growth in the number of community groups using the space both on a weekly basis and for one off events. We have been able to provide the space to our local primary school to support their Ditch the Dark event and hosting a market event for the primary 6 Business Beginnings class to sell products they have created.

## Trustees' Report

### Finances

Funds are raised by way of contributions, donations, grants and any other lawful method towards the aims of the Charity. Since returning (after relaxing of Covid-19 restrictions) to meeting in person we have seen a slight increase in the financial giving through the weekly offering from the church. However the cost of living crisis has had an impact on how much those within the church are able to give. The significant increase in the cost of electricity in particular has negatively affected our finances.

We were, however, able to obtain grants from EA and ABC Council towards the running costs of the youth club. We also received a grant to help with renovations to the kitchen in the Hub. This has allowed us to continue sending funds to the charitable projects we have chosen while still covering the costs of leasing and running The Hub. The charity endeavours to keep a prudent amount in reserve for the cash flow purposes but most funds are spent in the short term.

### Youth Club

As of September, 2021 we have been running 2 weekly youth clubs one for primary 6 and 7 and one for 1st to 3rd years. There has been a significant response to this with around 130 young people attending between the two sessions. This is an increase of 50 young people from the previous year.

These youth clubs have greatly benefitted the young people in the area because of the rural setting there are limited activities and resources available to them.

### Future Plans

In the next year we would like to have a dedicated prayer room in our Hub building that will be open to all the churches in our community to help improve relations between the different churches and denominations.

The charity is seeking to continue increasing its community engagement. We have already seen how valuable the youth clubs have been and the charity is seeking to continue to develop new programs for young people and their families as well as other people within the community.

### **Structure, governance and management**

#### *Nature of governing document*

The charity is a company limited by guarantee, governed by its Memorandum and Articles of Association. It has been granted charitable status by The Charities Commission for Northern Ireland under registration number NOC107784.

#### **Financial instruments**

#### *Objectives and policies*

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

## Grace Community Church (Ireland) Limited

### Trustees' Report

#### *Credit risk*

The charity's principal financial assets are bank balances and cash, trade and other receivables, and investments. The charity's credit risk is primarily attributable to its trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

The charity has no significant concentration of credit risk, with exposure spread over a large number of counterparties and customers.

#### *Liquidity risk*

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity uses a mixture of long-term and short-term debt finance.

Further details regarding liquidity risk can be found in the Statement of accounting policies in the financial statements.

#### **Statement of trustees' responsibilities**

### Notes to the Financial Statements for the Year Ended 30 September 2022

#### 1 Charity status

The charity is limited by guarantee, incorporated in Northern Ireland, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £Nil towards the assets of the charity in the event of liquidation.

The address of its registered office is:

1 Blenheim Court  
Richhill  
Armagh  
BT61 9JH

These financial statements were authorised for issue by the trustees on 22 June 2023.

#### 2 Accounting policies

##### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

##### Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

##### Basis of preparation

Grace Community Church (Ireland) Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

##### Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

##### Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

##### Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

## Grace Community Church (Ireland) Limited

### Notes to the Financial Statements for the Year Ended 30 September 2022

#### *Grants receivable*

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### *Raising funds*

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

#### **Support costs**

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

#### **Government grants**

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### **Tangible fixed assets**

Individual fixed assets costing £0.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

#### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

## Grace Community Church (Ireland) Limited

### Notes to the Financial Statements for the Year Ended 30 September 2022

<b>Asset class</b>	<b>Depreciation method and rate</b>
Furniture and equipment	20% straight line

#### **Trade debtors**

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Borrowings**

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

#### **Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

### Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 30 September 2022.

#### **Objectives and activities**

##### *Objects and aims*

The charitable purpose of Grace Community Church (Ireland) Limited is the advancement of the Christian religion for the benefit of the public in the area of benefit.

The principal function is to relieve the poverty and the advancement of education and to provide facilities in the interest of welfare with the object of improving the conditions of life for said inhabitants.

##### *Public benefit*

The direct benefits flowing from advancement of religion include holding weekly church services, mid week gatherings and small groups which are open to anyone.

A direct benefit comes from providing facilities at a community hub in Richhill. This community space is a place for different groups in the community to meet.

#### **Trustees and officers**

The trustees and officers serving during the year and since the year end were as follows:

Trustees:	Mr Neil Dawson
	Mr David Allan McBride
	Mr Neville William Garland

The trustees meet regularly to discuss the broad strategy of the charity.

#### Objectives and Activities

The principal activities of the charity are to support and facilitate the Church, raise awareness and understanding of Evangelical Christian beliefs and practices. Carry out missionary and outreach work within the community served by the church as well as holding regular public worship services in the context of the Church.

#### Headquarters

Our office and administrative address is 1 Blenheim Court, Richhill BT61 9JQ. The main activity of our charity takes place at The Hub, Richhill. We have been leasing this building since November 2019. The facilities at The Hub allow the charity to hold weekly church services, mid week services and youth clubs. The building is also available for community use and is currently used by a speech and drama group, a group for those with additional needs and for group community meetings. Since last year, with the relaxing of Covid-19 restriction we have seen growth in the number of community groups using the space both on a weekly basis and for one off events. We have been able to provide the space to our local primary school to support their Ditch the Dark event and hosting a market event for the primary 6 Business Beginnings class to sell products they have created.

## Trustees' Report

### Finances

Funds are raised by way of contributions, donations, grants and any other lawful method towards the aims of the Charity. Since returning (after relaxing of Covid-19 restrictions) to meeting in person we have seen a slight increase in the financial giving through the weekly offering from the church. However the cost of living crisis has had an impact on how much those within the church are able to give. The significant increase in the cost of electricity in particular has negatively affected our finances.

We were, however, able to obtain grants from EA and ABC Council towards the running costs of the youth club. We also received a grant to help with renovations to the kitchen in the Hub. This has allowed us to continue sending funds to the charitable projects we have chosen while still covering the costs of leasing and running The Hub. The charity endeavours to keep a prudent amount in reserve for the cash flow purposes but most funds are spent in the short term.

### Youth Club

As of September, 2021 we have been running 2 weekly youth clubs one for primary 6 and 7 and one for 1st to 3rd years. There has been a significant response to this with around 130 young people attending between the two sessions. This is an increase of 50 young people from the previous year.

These youth clubs have greatly benefitted the young people in the area because of the rural setting there are limited activities and resources available to them.

### Future Plans

In the next year we would like to have a dedicated prayer room in our Hub building that will be open to all the churches in our community to help improve relations between the different churches and denominations.

The charity is seeking to continue increasing its community engagement. We have already seen how valuable the youth clubs have been and the charity is seeking to continue to develop new programs for young people and their families as well as other people within the community.

### **Structure, governance and management**

#### *Nature of governing document*

The charity is a company limited by guarantee, governed by its Memorandum and Articles of Association. It has been granted charitable status by The Charities Commission for Northern Ireland under registration number NOC107784.

#### **Financial instruments**

#### *Objectives and policies*

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

### Trustees' Report

#### *Credit risk*

The charity's principal financial assets are bank balances and cash, trade and other receivables, and investments. The charity's credit risk is primarily attributable to its trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

The charity has no significant concentration of credit risk, with exposure spread over a large number of counterparties and customers.

#### *Liquidity risk*

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity uses a mixture of long-term and short-term debt finance.

Further details regarding liquidity risk can be found in the Statement of accounting policies in the financial statements.

#### **Statement of trustees' responsibilities**

The trustees (who are also the directors of Grace Community Church (Ireland) Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

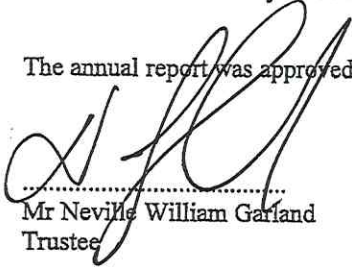

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
