#### **Public Benefit**

The direct benefits which flow from our purpose include an active Parent and Teacher Association that works in partnership with the school and engages parental support. The Association seeks to advance the education of all pupils in the school both in educational progress and links built with the local community.

Mary Queen of Peace PTA is made up of a group of elected parents and staff. As a group we aim to include all parents and staff in our operation. We do this by inviting parents and staff to share their skills and help at our events. We believe that good communication is the key to our PTA success and we publish information regularly on the school website and as appropriate through the school newsletter.

#### **Achievements and Performance**

During the period the PTA raised £276 in fundraising events including a uniform sale. The Association were also awarded funding from BT Community Fund, £2,000. All funds were used to extend the range of resources and educational experience for the primary school pupils.
