

Husky Salvation Trustees Report
13/01/2023

From 12th of October 2020 to 31st of December 2020 we rehomed 17 dogs

In 2021 we rehomed 23 dogs.

We have 9 dogs that are permanent residents at Husky Salvation.

2021 was a quiet year for fundraising and rehoming of dogs due to covid restrictions and pressure from our landlord that we had to leave our home which is also our rescue.

In 2022 we had to move and spent months looking for a new home.

We are currently looking for new premises for the dogs and cats locally in Fermanagh.

We have added four new trustees to the team to help us with fundraising, find new premises for the rescue and help rescue more cats and dogs.

We have seen an increase in unwanted dogs in Fermanagh recently, we believe many are struggling due to the cost of living crisis.
