Activities and Objectives

Providing members of the community with opportunities to participate in and build skills in developing and running a community organisation. Providing opportunities for inhabitants to engage and shape services and priorities. Planning and organising all age events to encourage a developing sense of community and place and a culture of constructive community engagement and liaising with local council, local church community and statutory authorities to achieve same.

Public Benefit Statement

The benefits that flow from this purpose include: improved opportunities for social engagement for all in the village and surrounding area and reduced social isolation. This is evidenced by feedback from participants and attendees at events, by comments on social media, responses on SurveyMonkey and by the monitoring of attendance at events. There is also independent evaluation of our activities by our funders. The charity's beneficiaries are all the residents of Ravarnet and its environs. A private benefit flowing from this purpose is the income achieved by a local business whose premises are rented to hold our community meetings and as a venue for training and social events for our community. Another private benefit would be the income to the training company who deliver courses such as Health and Safety and First Aid for our community. Both these private benefits are incidental and are necessary to the fulfilment of the purpose of RCN.

The charity's main source of income each year is from Lisburn and Castlereagh City Council (LCCC) through annual grants. These grants are used to fund three main events across the year, at Easter, Halloween and Christmas.

The total income for the charity this year is £3,176 (£2,690 in 2021). The income came mainly through LCC Grants. The expenses for the year amounted to £3,135 (£2,484 in 2021). The expenses mainly related to the three main events across the year.
