Annual report

CLASP TRUSTEE ANNUAL REPORT:

Over the past financial year CLASP has continued to host its weekly events for elderly people in the local area. We have continued to complete our weekly coffee mornings, bingo sessions, and weekly social events.

CLASP had the privilege to complete several trips this year, including Newry, Belfast Opera House and The Mill (Newtownabbey). Over the Christmas period we were able to take our local residents for a Christmas Lunch. I want to take the opportunity to thank Listening Ear for their funding this year, through the NIHE, which funded several of our social events this year.

We had the opportunity to work alongside IMPACT, Randalstown, during their legacy project, allowing us the opportunity to visit Randalstown, and learn their history, attend a cross-community history lecture in Monkstown, attended 'The Man Who Swallowed a Dictionary' performance in the Mill, Newtownabbey, and had the opportunity to attend a Networking dinner in Antrim.

Over the course of the year CLASP members have attended the South Antrim Housing Community Network and the Fendon Advisory Group. These meetings have allowed our members to lobby Housing Organisations for the good of our community.

Annual report

CLASP COMMUNITY GROUPS CHAIRPERSONS REPORT

2022-2023

Over the past year, CLASP have worked hard to continue to deliver events and programmes for the community of Longlands, Arthur, and the surrounding areas. These have included weekly programmes such as a bingo evening, a drop-in coffee morning and several seasonal events and cross community trips away.

A number of CLASP's programmes have been made possible through funding secured by the group. This funding has come from Antrim & Newtownabbey Borough Council who support the running costs of the Portacabin facility and some of the seasonal events held by the group. The group have also received funding from the Housing Executive which they organised a cross community trip to Kilmainham Gaol with members of Newtownabbey Women's Groups and Whiteabbey Community Group. There was also an event organised for seniors at McArts restaurant with transport, entertainment and a meal provided.

The group also secured funding this last year from Antrim & Newtownabbey Borough Council to deliver vouchers for fuel poverty given the cost-of-living crisis. Over 100 people benefited from these vouchers. In relation to the cost of living, the committee also organised through funding to deliver hot meals to older people in the community on 2 occasions and food parcels for low-income families.

The committee have plans to start a weekly Luncheon Club this year to ensure older people receive a hot meal and have a warm place to come and meet and socialise.

The committee also plays an active role in several interagency meetings each year including the Housing Executives Housing Community Network, local Housing Association shared housing meetings as well as cross community network meetings.

As always, the committee would not be able to run the programmes and events it does each year without the support of the committee and the hard work they put in. We hope to have an even more successful year in 2023-2024.
