people and current Holy Trinity College pupils have been involved in the fundraising efforts of the foundation through helping organise, manage and take part in the Annual Pupil Sponsored Walk and the Annual Golf Classic. Past pupils, current pupils and parents of current pupils have hosted fundraising events – Community Concert and a draw for a donated painting, the artist being a past pupil.

The grant received from the Halifax Foundation was put to good use by 1. providing breakfasts for pupils who were sitting exams and 2. purchasing musical instruments that are widely used by our extracurricular music programmes.

To meet one of our key priorities we have submitted a grant application to PHA Mental Health Support Fund whereby we are proposing to run a 6 week Autism Support Project. This will be accessible to our wider community and surrounding catchment.

We also carried out further community outreach, and began to discuss possible capital funding with Crockandun Wind Farm.

This report was approved by the Trustees at a meeting on 9/1/25 and signed on its behalf by:
