REPORT OF THE DIRECTORS (INCORPORATING TRUSTEES' REPORT)

The Directors (who are also the trustees) are pleased to present their report together with the financial statements of the charity for the year ended 31st August 2024, which are prepared to meet the requirements for a directors' report and accounts for Companies Act purposes. The directors have adopted the provisions of the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (Charities SORP – FRS102), in preparing the annual report and financial statements of the charity.

Achievements and performance

During the year fundraising activities included our annual community quiz, a drama performance by Moycraig YFC, a Speedy Quiz and a barbeque. These help to supplement rental income, which remains a key focus to ensure overheads are covered. Annual income from hire of the hall was £10,376 with income from fundraising activities being £4,875.

We were successful in our application to the Energia Long Mountain Community Benefit Fund for funding towards a wellness event (held in November 2024), financial assistance towards core costs and funding for two buses to Balmoral Show. The free buses to Balmoral are always great social outings with people of all ages across the community travelling together without the stress of driving and walking, which is appreciated by many.

The company was registered with the Charity Commission NI on 15th October 2021.

The Trustees have had regard to the Charity Commission's Public Benefit requirement.

Financial review and funds policy

During the year the Charity had total income of £18,251 and total expenditure of £22,649 resulting in a net deficit of £4,398. The net deficit for the year as shown in the statement of financial activities on page 7 has been transferred to the company's funds. Details of the financial position of the Charity at the year-end can be seen on page 8.

At the end of the year the Charity had £4,062 cash at bank. It is the aim of the Trustees, if possible, to maintain an unrestricted cash reserve equivalent to that of at least two months expenditure.

The company plans to continue its activities in the forthcoming years.

GLARRYFORD FARMERS' HALL LIMITED

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the Charities Act (Northern Ireland) 2008. The trustees consider that an audit is not required for this period and that an independent examination is needed.

It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. Independent examiner's statement

In connection with my examination, no matter has come to my attention:

GLARRYFORD FARMERS' HALL LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST AUGUST 2024

1. Company information

The Company is limited by guarantee and is incorporated in Northern Ireland. The address of the registered office is 21, Killycowan Road, Glarryford, Ballymena, County Antrim. The financial statements were authorised for issue by the Board on 29th April 2025.

2. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

Basis of preparation

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost and transaction value unless otherwise stated in the relevant accounting policy note(s).

Preparation of accounts on a going concern basis

The Charity generally meets its day to day working capital requirements from its annual income. The Trustees have obtained and reviewed cash flow forecasts for the coming year and based on these are satisfied that the Charity has resources to provide a reasonable expectation that it can continue to meet its financial obligations as they fall due for the foreseeable future. These financial statements have therefore been prepared on a going concern basis.

Incoming resources

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amounts can be measured reliably. In the case of a grant this is when the formal offer of funding is communicated in writing to the charity and when all terms and conditions have been met. In the case of a donation this arises immediately on its receipt.

Rental income is recognised when the Charity has established an entitlement to the income.

Resources expended

Resources expended are recognised in the period in which they are incurred.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services to its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

GLARRYFORD FARMERS' HALL LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST AUGUST 2024 (continued)

2. Accounting policies (continued)

Tangible assets

The tangible assets of the Charity comprise of land and buildings held as investment property and equipment.

Investment property is carried at fair value, derived from the current market prices for comparable real estate determined annually by the Directors. Changes in fair value are recognised in profit or loss.

Equipment will be depreciated at a rate calculated to reduce it to residual value at the end of its expected normal life on a straight-line basis at a rate of either 10% or 20% per annum.

The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period. The effect of any change is accounted for prospectively. Tangible assets are derecognised on disposal or when no future economic benefits are expected. On disposal, the difference between the new disposal proceeds and the carrying amount is recognised in the statement of financial activities and included in "other operating gains/(losses)".

Short-term debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Financial assets, including debtors, are reviewed at the reporting date to determine if there is any evidence of potential impairment. Any losses arising from impairment are recognised in the income statement in operating expenses.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts.

Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction price and subsequently measured at their settlement value.

Funds

Funds are classified as either unrestricted funds or restricted funds, defined as follows.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Charity.

3. Critical accounting judgements and estimation uncertainty

Estimates and judgments made in the process of preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Trustees do not consider that there are any critical judgments made in applying the Company's accounting policies or that there are any critical accounting estimates or assumptions which may have a significant risk of causing a material adjustment to carrying amounts of assets and liabilities within the next financial year.

REPORT OF THE DIRECTORS (INCORPORATING TRUSTEES' REPORT)

The Directors (who are also the trustees) are pleased to present their report together with the financial statements of the charity for the year ended 31st August 2025, which are prepared to meet the requirements for a directors' report and accounts for Companies Act purposes. The directors have adopted the provisions of the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (Charities SORP – FRS102), in preparing the annual report and financial statements of the charity.

Achievements and performance

During the year fundraising activities included our annual community quiz, a drama performance by Moycraig YFC and a community barbeque and auction of items generously donated by local businesses. These help to supplement rental income, which remains a key focus to ensure overheads are covered. Annual income from hire of the hall was £14,020 with income from fundraising activities being £9,064.

We were successful in our application to the Energia Long Mountain Community Benefit Fund for funding towards a number of fitness classes, financial assistance towards core costs and funding for two buses to Balmoral Show. The free buses to Balmoral are always great social outings with people of all ages across the community travelling together without the stress of driving and walking, which is appreciated by many. Funding is to be sought in the next financial year to expand community activities.

The Charity is indebted to the volunteers who freely give up their time to support the charity throughout the year.

The company was registered with the Charity Commission NI on 15th October 2021.

The Trustees have had regard to the Charity Commission's Public Benefit requirement.

Financial review and funds policy

During the year the Charity had total income of £26,084 and total expenditure of £22,847 resulting in a net surplus of £3,237. The net surplus for the year as shown in the statement of financial activities on page 7 has been transferred to the company's funds. Details of the financial position of the Charity at the year-end can be seen on page 8.

At the end of the year the Charity had £3,457 cash at bank. It is the aim of the Trustees, if possible, to maintain an unrestricted cash reserve equivalent to that of at least two months expenditure.

The company plans to continue its activities in the forthcoming years.

REPORT OF THE DIRECTORS (continued)

Objectives and Activities (and how they deliver public benefit)

The Charity's objects are stated in its Articles of Association as being specifically restricted to the following:

- the advancement of education
- the advancement of citizenship or community development
- the advancement of the arts, culture, heritage or science

by providing a community hall for use by the community in and around the North Antrim area for meetings, lectures, classes, drama performances, arts festivals and other forms of recreational activities.

Nothing in the Company's Articles of Association shall authorise an application of the property of the Charity for purposes which are not charitable in accordance with Section 2 of the Charities Act (Northern Ireland) 2008.

The hall constructed by the company is used as follows:

- By Glarryford Young Farmers' Club, a youth organisation managed by young volunteers with a current membership of 80 young people aged between 12 and 30. This organisation has educational, recreational and social aspects to it and helps reduce isolation in the rural community. Activities include public speaking, craft, floral art, drama, song and dance, stock judging, football, tug of war, debating, presentations and others including significant community events and events to raise money for charitable causes. The Young Farmers' Club leaders and members contribute significant volunteer hours each year to the local community.
- By Glarryford Women's Institute, an organisation for women in the local community to come together for both social and educational purposes.
- By the local Farmers Union, when again local residents come together for both social and educational purposes.

In addition to the above the hall is available for many other activities particularly to include celebration events, health and wellbeing activities, coffee mornings and information events.

(Company registration number NI 647881)

I report on the accounts of the Glarryford Farmers' Hall Limited for the year ended 31st August 2025 which are set out on pages 7 to 15.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the Charities Act (Northern Ireland) 2008. The trustees consider that an audit is not required for this period and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 65 of the Charities Act; and
- to follow the procedures laid down in the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act; and

Basis of independent examiner's report

I have examined your charity accounts as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities.have not been met; or

GLARRYFORD FARMERS' HALL LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST AUGUST 2025

1. Company information

The Company is limited by guarantee and is incorporated in Northern Ireland. The address of the registered office is 21 Killycowan Road, Glarryford, Ballymena, County Antrim. The financial statements were authorised for issue by the Board on 28th April 2026.

2. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

Basis of preparation

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost and transaction value unless otherwise stated in the relevant accounting policy note(s).

Preparation of accounts on a going concern basis

The Charity generally meets its day to day working capital requirements from its annual income. The Trustees have obtained and reviewed cash flow forecasts for the coming year and based on these are satisfied that the Charity has resources to provide a reasonable expectation that it can continue to meet its financial obligations as they fall due for the foreseeable future. These financial statements have therefore been prepared on a going concern basis.

Incoming resources

Rental income is recognised when the Charity has established an entitlement to the income.

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amounts can be measured reliably. In the case of a grant this is when the formal offer of funding is communicated in writing to the charity and when all terms and conditions have been met. In the case of a donation this arises immediately on its receipt.

Resources expended

Resources expended are recognised in the period in which they are incurred.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services to its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

GLARRYFORD FARMERS' HALL LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST AUGUST 2025 (continued)

2. Accounting policies (continued)

Tangible assets

The tangible assets of the Charity comprise of land and buildings held as investment property and equipment.

Investment property is carried at fair value, derived from the current market prices for comparable real estate determined annually by the Directors. Changes in fair value are recognised in profit or loss.

Equipment will be depreciated at a rate calculated to reduce it to residual value at the end of its expected normal life on a straight-line basis at a rate of either 10% or 20% per annum.

The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period. The effect of any change is accounted for prospectively. Tangible assets are derecognised on disposal or when no future economic benefits are expected. On disposal, the difference between the new disposal proceeds and the carrying amount is recognised in the statement of financial activities and included in "other operating gains/(losses)".

Short-term debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Financial assets, including debtors, are reviewed at the reporting date to determine if there is any evidence of potential impairment. Any losses arising from impairment are recognised in the income statement in operating expenses.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts.

Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction price and subsequently measured at their settlement value.

Funds

Funds are classified as either unrestricted funds or restricted funds, defined as follows.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Charity.

3. Critical accounting judgements and estimation uncertainty

Estimates and judgments made in the process of preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Trustees do not consider that there are any critical judgments made in applying the Company's accounting policies or that there are any critical accounting estimates or assumptions which may have a significant risk of causing a material adjustment to carrying amounts of assets and liabilities within the next financial year.

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the Charities Act (Northern Ireland) 2008. The trustees consider that an audit is not required for this period and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities.have not been met; or

GLARRYFORD FARMERS' HALL LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST AUGUST 2023

1. Company information

The Company is limited by guarantee and is incorporated in Northern Ireland. The address of the registered office is 21, Killycowan Road, Glarryford, Ballymena, County Antrim. The financial statements were authorised for issue by the Board on 30th April 2024.

2. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

Basis of preparation

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost and transaction value unless otherwise stated in the relevant accounting policy note(s).

Preparation of accounts on a going concern basis

The Charity generally meets its day to day working capital requirements from its annual income. The Trustees have obtained and reviewed cash flow forecasts for the coming year and based on these are satisfied that the Charity has resources to provide a reasonable expectation that it can continue to meet its financial obligations as they fall due for the foreseeable future. These financial statements have therefore been prepared on a going concern basis.

Incoming resources

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amounts can be measured reliably. In the case of a grant this is when the formal offer of funding is communicated in writing to the charity and when all terms and conditions have been met. In the case of a donation this arises immediately on its receipt.

Rental income is recognised when the Charity has established an entitlement to the income.

Resources expended

Resources expended are recognised in the period in which they are incurred.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services to its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

GLARRYFORD FARMERS' HALL LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST AUGUST 2023 (continued)

2. Accounting policies (continued)

Tangible assets

The tangible assets of the Charity comprise of land and buildings held as investment property and equipment.

Investment property is carried at fair value, derived from the current market prices for comparable real estate determined annually by the Directors. Changes in fair value are recognised in profit or loss.

Equipment will be depreciated at a rate calculated to reduce it to residual value at the end of its expected normal life on a straight-line basis at a rate of either 10% or 20% per annum.

The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period. The effect of any change is accounted for prospectively. Tangible assets are derecognised on disposal or when no future economic benefits are expected. On disposal, the difference between the net disposal proceeds and the carrying amount is recognised in the statement of financial activities and included in "other operating gains/(losses)".

Short-term debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Financial assets, including debtors, are reviewed at the reporting date to determine if there is any evidence of potential impairment. Any losses arising from impairment are recognised in the income statement in operating expenses.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts.

Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction price and subsequently measured at their settlement value.

Funds

Funds are classified as either unrestricted funds or restricted funds, defined as follows.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Charity.

3. Critical accounting judgements and estimation uncertainty

Estimates and judgments made in the process of preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Trustees do not consider that there are any critical judgments made in applying the Company's accounting policies or that there are any critical accounting estimates or assumptions which may have a significant risk of causing a material adjustment to carrying amounts of assets and liabilities within the next financial year.
