

Sunflower Support NI - Account review

Accounts income for the year was £9106.

Accounts outgoings for the year was £8843.

This year had a significant difference in grants received hence the difference in incoming/outgoing money.

Some months had no or little in and outgoings as most sessions provided were free or little cost.

Receipts reviewed for all incoming and outgoing cash.

All in all the year was financially satisfactory.

Cynthia Blair.
