Trustees' Report

For the year ended 31 August 2025 (cont'd)

In 2023/24 LIPS Trustees reviewed our three year Strategic Plan and continued to deliver a range of mental health interventions within the Limavady, Roe Valley and East Londonderry catchment area. Our new town centre location in Limavady allowed us to improve access and visibility at a local level. Having this presence has continued to raise the profile of LIPS as we continue to work closely with local stakeholders, statutory agencies and those who need our services.

The activities carried out from our new location include mental health advice and support services, signposting, suicide prevention training, suicide prevention campaigns and events, and a range of wellbeing classes and workshops.

The primary beneficiaries include local individuals and their families affected by suicide, local community groups, local businesses wishing to promote suicide prevention and local primary schools availing of our wellbeing workshops. Our geographical catchment area includes the Limavady, Roe Valley, Dungiven, Claudy, Greysteel, Eglinton, Magilligan and wider East Londonderry constituency.

The Trustees have had regard to the Public benefit guidance issued by the Charity Commission for Northern Ireland.

Trustees' Report

For the year ended 31st August 2023 (cont'd)

In 2022 the LIPS Trustees developed a three year Strategic Plan to promote and deliver a range of mental health interventions within the Limavady catchment area. The first year of the strategy was to relocate from a multi user building which had access limitations to a new town centre premises based in Catherine Street, Limavady. This was achieved with the funding secured through the Community Foundation grant. Having this presence has undoubtedly raised the profile of LIPS as we now are able to better liaise with local stakeholders, statutory agencies and those who need our services.

The activities carried out from our new location primarily included training, including supporting those who are caring for someone with mental health needs.

The primary beneficiaries include local community groups, stakeholder organisations and bereaved relatives who have been bereaved by suicide. Our geographical catchment area is the Limavady, Dungiven, Claudy, Greysteel, Eglinton and Magilligan.

Basis of independent examiner's report

We have examined your charity accounts as required under section 65 of the Charities Act and our examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act.

Our examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

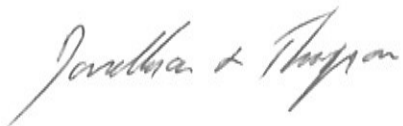

Our role is to state whether any material matters have come to our attention giving us cause to believe:

1. That accounting records were not kept in accordance with section 63 of the Charities Act
2. That the accounts do not accord with those accounting records
3. That the accounts do not comply with the accounting requirements of the Charities Act
4. That there is further information needed for a proper understanding of the accounts to be reached.
