

Dorsey Community Association

Annual report for the period from 1st April 2024 to 31st March 2025.

Introduction

Dorsey Community Association was established more than 45 years ago with the aim to support the local community with community events for all ages. In our modern purpose-built community centre we provide a place to hold activities for all ages, as well as providing a space to be used by the people of Dorsey for family events and by local community-based groups. Details of the events held during the period under review are included below.
