The aim of our group is to raise funds for St Marys Primary School, Killesher to enable children to participate in activities and events above and beyond what the school may be able to provide our children.

The success of this year's fundraising can be attributed to our committee. We also have the support of the parents, staff,

friends, local businesses and the wider community who have all supported us throughout this year.

We held a very successful 'Bag Pack' in Enniskillen at Halloween which was a great success - parents and children took part. Funds from this fund raiser were used to provide Ipads for the school.

During the school Christmas Performance, we organised a bake sale along with craft fair – again this was well supported by the families and local communities.

Early in 2024 we approached local businesses for sponsorship to assist with providing extra play equipment for our refurbished school playground and towards the end of the summer term we held a very successful 'Ball Roll' fundraising event.

We provided Ice Cream Van at School Sports Day.

We would like to thank the Staff, Pupils, parents and the wider community for their continued generosity and support.
