Report Annual Trustees Report

Committee Members:

Paris McKiernan	– Chairperson
Kate Byrne	- Vice Chairperson
John Cunningham	– Secretary
Frances Gleeson	- Treasurer
Mary Maguire	- Teacher Representative

The aim of our group is to raise funds for St Marys Primary School, Killesher which will enable children to participate in activities and events above and beyond what the school may be able to provide our children.

The success of this year's fundraising can again be attributed to our committee, the parents, staff, friends, local businesses and

the wider community who, once again, have all supported us throughout this year.

We held a very successful Halloween 'Bag Pack' in Dunnes Stores Enniskillen – parents, pupils and past pupils helped out and we are very thankful for their continued support. We also appreciate Dunnes Stores affording us the opportunity once again to undertake this fundraising activity which allowed us to purchase further IT equipment for our school.

During the school Annual Christmas Performance, we organised a bake sale– again this was well supported by the families and local communities.

Our successful Annual Ball Roll fundraising event took place In June.

We would like to thank the Staff, Pupils, Past Pupils, parents and the wider community for their continued generosity and support.
