Annual report

Richhill Amalgamated Football Club
Annual Trustees' Report 2023/24
Charity Number NIC 108486

The purpose of Richhill AFC is to advance amateur football in the local area. The Club aims to create a secure environment where members can play football and to promote sport by promoting participation in activities; offering members appropriate competition, helping members raise their sporting standards, organising local games of football and ensuring that all members of the community have an equal opportunity to participate.

Richhill AFC operate within the County Armagh village of Richhill. We provide free football for every member of the Club (aged 16 – 63) while we delivered 6 Holiday Youth Camps during the 2023/24 season with hundreds of girls and boys (aged 4-13) in attendance. Due to the success of these Youth Camps we have established a Youth Academy for the season 2025/26. Three local primary schools (Hardy Memorial PS, Hamiltonsbawn PS and Derryhale PS) used our facilities (free of charge) for either curriculum PE or for their annual Sports Days.

Like all amateur sporting organisations, finances continue to be a challenge, however our Club Committee have managed to keep the Club in a favourable financial position through the organisation of many different fundraising events, securing business sponsorship and having good success with grant applications.

The Club has also continued to develop its facilities since obtaining a lease from ABC Council in June 2023. Such developments have seen the installation of a Community Cabin, water/electricity connection and spectator hard standing with sheltered area. We are grateful to the different grant providers for supporting us with these improvements.

We also continue to explore potential funding sources for the installation of an artificial floodlit football pitch (planning approval in place) for which we are “shovel ready”.

The Trustees have reviewed these latest figures and are satisfied that the Club's finances are being managed and reported satisfactorily. Regular updates on financial matters are provided via Committee Meetings while an end of season report is provided at the Annual General Meeting (AGM) in line with the Constitution.

Annual report

Richhill Amalgamated Football Club
Annual Trustees' Report 2022/23
Charity Number NIC 108486

The organisation's purpose is to advance amateur football. It specifically aims to create a secure environment where members can play football and to promote sport by promoting participation in activities; offering members appropriate competition, helping members raise their sporting standards, organising local games of football and ensuring that all members of the community have an equal opportunity to participate successfully.

Richhill AFC operate within County Armagh and specifically within the village of Richhill. We provide free football for every member of the Club (aged 16 – 62) plus run various holiday football camps for local kids (boys and girls aged 4 – 11). We have a partnership in place with Hardy Memorial Primary School, who use our facilities free of charge during school hours.

The management of the Club's financial status remained favourable thanks to the ongoing execution of our development plan, enhanced business sponsorship and further successful grant applications.

The Club moved to further strengthen its position within the community and to meet growing demand by obtaining a lease on the facilities used by the Club from ABC Council in June 2023. This has resulted in the initial part of phase 1 being completed. Our next development goal is to obtain funding for an artificial floodlit football pitch on our leased grounds. Planning permission was approved in February 2024 and the Club are “spade ready” when the appropriate funder becomes available.

The Club undertook various fundraising activities throughout the year to meet the financial demands of providing a free service. These included: Last Person Standing competition, Bingo Night, Quiz Night and an Evening at the Races. The Club received sponsorship from over 30 local businesses throughout the year and also hired out the newly leased facilities to over 16 local groups in order to generate additional income.

To keep equipment and facilities up to date and in good working order, various grants were successfully obtained and spent.

The Trustees are satisfied that the Club's finances are being managed and reported satisfactorily. The committee meetings, which are conducted monthly, provide regular updates on financial matters. Minutes of these meetings are recorded and formally signed by the chair while an Annual General Meeting (AGM) is held in line with the Constitution rules.
