A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

During the 2023-2024 year, we had 12 girls taking part in Brownie activities. There were lots of different activities that took place to ensure that the Brownie programme was covered.

Brownies meet every Tuesday in the Village Hall.

All the new Brownies enrolled by making their promise. During the year, the girls completed their Be Well Badge and enjoyed all the activities that came with it. This included crafts, dancing, yoga and planting seeds.

In November, the girls took part in the local Remembrance Day Parade and Service.

In December, Brownies organised a Senior Citizen's Party which they all took part in. They took part by singing, dancing and acting out the Nativity Play. Everyone that came enjoyed the entertainment that afternoon. Brownies also enjoyed taking part in Larne District event which was Gathering Drums Workshop that allowed them to explore different types of drums.

In February for Thinking Day, Larne District held a night of Line Dancing which the girls' thought was great fun as they learnt new dance routines.

In March, the girls loved dressing up and bringing something green for St Patrick's Day. They got to try different green foods that they wouldn't usually try. Brownies also had an Easter Egg competition where they had to design what their egg would look like if they could make it. We finished off by having a party to celebrate Easter

In May, 1st Larne Brownies kindly invited us to a night with The Wee Critters. This was a great night and was enjoyed by every girl as they loved handling all the different types of animals. They also enjoyed getting to know other Brownies from another unit.

The Brownies had a great year and enjoyed all the activities that they took part in which included games both inside and outside.

There was no harm flowing from the Charities Purposes and that there was no private benefit.
