Pond Park Primary School PTA

Annual Report & Statement of Accounts

For the period ended 30th June 2024

Charity Number: NIC108562

Pond Park Primary School PTA Trustees' Annual Report for the year 1st July 2023 to 30th June 2024

Purpose of the Charity

The purpose of the Parent Teacher Association (PTA) is to advance the education of pupils in the school, in particular by:

- Developing effective relationships between the staff, parents and others associated with the school.
- Engaging in activities or providing facilities or equipment which support the school and advance the education of the pupils.

The benefit which flows from improved relationships between home and school includes funding for additional resources for the school and links built with the local community. This is demonstrated through having an active PTA that works in partnership with the school and engages parental support and through pupils having access to resources, events, activities and links with the local community which are not available through direct school funding. The benefit is for children at Pond Park Primary School.

Governance

We work closely with the pupils' families and teaching and support staff for Pond Park Primary School. This both supports and compliments the work of our committee and volunteers and ensures that the views, requirements and concerns of all stakeholders can be fully realised. The PTA is governed by its Constitution which has been agreed and is adhered to by all members of the PTA committee.

Activities during this Reporting Period

The fundraising events held throughout the year included the half-term discos, Christmas Craft Fair & 12 days of Christmas Prize Draw and Summer Fun Day. In addition, we raised funds via commissions (easyfundraising and Amazon Smile), providing tea / coffee at sports days, second hand uniform sales, participating in Lisburn Fun Run and creating / selling a school Cook Book. We also held a book fair which does not make profit but allows the school to purchase new books through the commission raised.

With the funds raised, we were able to provide support for the school community, including:

- £100 per class donation (P.1 to P.4) to buy materials and equipment the school budget cannot source;
- £150 to P.5 for Activity Based Learning;
- £1,430 Accelerated Reader prizes (pupil book tokens and class lunches);
- School Flags (for use at Sports days and other external events);
- A clay workshop for P.6 classes;
- A card reader to allow cashless payments at PTA events; and
- P7 leavers party and yearbooks.

How the charity has mitigated any harm flowing from its purposes

We work closely with the school to undertake risk assessments on all activities and ensure that our activities follow the ethos of the wider school environment.

How the charity has ensured that any private benefit has been incidental to the public benefit

We confirm the trustees have had regard to the Charity Commission's guidance on public benefit.

Statement of compliance with the duty to have regard to the Commission's guidance

In setting our objectives and planning our activities for the year the trustees have given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities have helped to achieve the charity's purposes and provide a benefit to the beneficiaries.
