A summary of the Charities main activities to further its purposes for the public benefit and the main achievements in the year

Girlguiding

During the year on average 16 girls took part. A variety of activities took place to make sure the programme for Rainbows were covered. We were still recovering from the pandemic and girls and leaders were still getting used to the running and organising of Rainbows. We got back to meeting indoors every Tuesday night which was fantastic.

New Rainbows made their promise. Rainbows enjoyed completing their Express Yourself Badge and loved making lots of crafts throughout the year. They made sock puppets and put on a show using them as part of their badge.

In May, we celebrated the King Charles III Coronation. Rainbows celebrated by having a party and by making crowns for the display board.

At Christmas, we organised a Senior Citizen's Party which all Rainbows took part in. There was dancing, singing and the Nativity Play. Everyone had a great night.

A great year was had and many challenges were taken on which included lots of games that were both indoors and outdoors. There was no harm flowing from the Charities purposes and that there was no private benefit.
