## Activities

**Purposes:** The Foundation is established to raise funds for vital research into the causation of cervical cancer. This will be carried out by a team of medical experts at Queens University Belfast. The University Researchers will carry out vital research into the following: 1. HPV Vaccination. Researchers at Queens University Belfast plan to investigate the amount of knowledge and awareness of HPV amongst women in Northern Ireland to help inform how cervical cancer screening is promoted and to ensure that women do attend cervical cancer screening. The team also plan to re-investigate the prevalence of HPV in women in Northern Ireland in light of the changes anticipated as a result of HPV Vaccination. 2. to reduce the number of women being diagnosed with cervical cancer in Northern Ireland.

**What the charity does:** The advancement of health or the saving of lives

**How the charity works:** Medical/health/sickness,Research/evaluation

**Who the charity helps:** Women

# **Lynsey Courtney Foundation**

**NIC 108629**

## **Report for year 2023-2024**

April 2023 through to March 2024 was a relatively quiet year for the Lynsey Courtney Foundation in terms of fund raising. Some fund raising and donations for the late William Wilson for the Foundation and these monies were forwarded to Queens University Cervical Cancer research department. A sum of £4481.67 was forwarded in total.

This concludes the annual report on behalf of the Trustee's for 2023-24.
