Activities

Purposes: The goals of Our Charity are: showing love to all people worn-out by austerity, suffering and illness, the restoration of God's image in people through the Saint Liturgy & Pastoral care of the Church, to promote the advancement of religion through the provision of appropriate services, administration and educational activities to propagate and practice the Orthodox faith. The Charity will provide Pastoral care for Orthodox Christians aiming the spiritual and social improvement for all. These advantages are clearly demonstrated by the positive response received from participants and visitors to our weekly Liturgy and regular services, both in person and through online reviews on our websites. The purpose of the charity has no known negative consequences. The general public, who are welcome to attend our church are the beneficiaries of this charity, namely everyone irrespective of their belief wishing to know about Our Church, Orthodox Christians who are able to practice their faith herein and receive assistance are included in this category. If a rental fee is levied, an individual who owns the building utilized by the charity receives a private advantage from this purpose. This is not the situation right now, but it may be in the future. In this situation, the private profit would be incidental and overshadowed by the benefit to the beneficiaries because the building is required to achieve the objective and the rent will be acceptable.
