A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

We started our year with five Rainbows and we gained a new member after the Easter break. We were delighted that even though our unit is small in number, they have great enthusiasm for all our activities. We hope to continue to gradually grow in numbers over the next few years as we recover after the covid years.

During the year the Rainbows continued to work on Girlguiding UK programme and enjoyed the skill builder and practical activities as well as games, cooking and art activities. The better weather and brighter evenings towards the end of our year allowed us to take our activities outdoors.

The Rainbows loved creating their artwork for Easter Eggstravagnaza event and thoroughly enjoyed the evening.

Feedback from parents is that Rainbows is the 'highlight' of their child's week... Learning – fun – games -new skills... and lots of smiles all round.

We look forward to continued growth and development of the unit next year.

There was no harm flowing from the Charities' purposes and there were no private benefits.
