## **OBJECTIVES AND ACTIVITIES**

### **Objectives and aims**

Master Key Movement is a registered charity that carries out its purpose through the promotion of Christ-centred, Bible based programmes, speaking engagements, literature publication and distribution, conferences and prayer gatherings and prayer support for men, women and children throughout the world. These are conducted either in person or over an online platform such as Zoom. We also will provide a house of refuge for women and through that programme we shall offer support, mentoring, coaching, counselling, prayer, teaching and training to individuals. In addition to this, we plan to develop educational programmes to help adults and young people build resilience and a healthy emotional lifestyle. This will be delivered in educational settings, community/ faith groups or the like.

### **Significant activities**

#### Ongoing ministries:

Discipleship/ Food & Fellowship: These weekly meetings continue to take place on Thursday nights. Typically, there will be a two course meal served to the ladies, followed by Bible Study and prayer. The ladies have remained committed to attending as often as they can.

Beloved: Our monthly meetings continue at The Well for teenage girls. These times are set aside to teach the Bible and pray together, but also to provide space for the girls to have fun and build friendships. They also enjoyed two weekend retreats at The Cleenish centre. Both were a great success.

Loved and Restored: This is our ongoing ministry providing a safe and loving space for women who have gone through the pain of separation and divorce. Ladies continue to attend from across Northern Ireland, and this ministry has continued to grow from strength to strength. This continues to be a lifeline for some women and there has been a very real sense of love and belonging and many positive connections made from the time together.

Hope in the healing breakfasts at The Stables held on three Saturday mornings throughout 2024 saw over 40 ladies gather together for a time of worship and the word after enjoying a continental breakfast together. Again, the feedback was phenomenal from these mornings.

One Body One Voice conference for both men and women was a highlight on the calendar held on Saturday 8th June 2024 at Fermanagh Christian Fellowship church building. Over 150 people attended from right across the island. The two key note speakers were David Legge and John Ahern. Lunch was provided and an army of volunteers helped on the day. Excellent feedback was received from this significant event.

#### Prayer

Ladies Prayer Meetings: Our Monday morning prayer meetings continue as and when to provide encouragement and support to the ladies who attend.

"Acorns and Arrows": Our all - Ireland prayer initiative continues each month when we take a county in Ireland and pray for it. This is mainly broadcast through social media outlets and also during our Monday morning prayer times.

### REPORT OF THE TRUSTEES for the Year Ended 30 NOVEMBER 2024

---

#### **OBJECTIVES AND ACTIVITIES**

##### 1:1 Mentoring / Befriending:

Throughout the year individual meet ups continue to take place with ladies who struggle with their life circumstances. These meetings include walks and talks, and individual mentoring to improve wellbeing and provide a safe space for women.

##### Eating Disorder Programmes:

Our community Support Programme continues with a group of sufferers and carers. This continues to be a vital resource in our local community. Tastelife Eating Disorder sessions have been ongoing with many people getting essential help, advice, and much needed support.

Gathered in Compassion was introduced to The Well in October 2024 where ladies who have been widowed gather together for a meal and time of fellowship. This has been such a very precious ministry with all attendees testifying of the value of it in their lives. We currently have approximately 30-35 widows.

##### Speaking Engagements

Throughout the year we have had the opportunity to speak at many different groups, churches, events, meetings and retreats, providing Bible teaching, prayer and presentations on the work of The Well. This has been a great encouragement to the Trustees and we truly appreciate every invite we have received. The Well choir has also provided another space for ladies to come together for fellowship, friendship and lots of fun. The choir has sang at many of our speaking engagements. Many ladies would never have had the confidence to do this, but with the encouragement and support offered from The Well have felt such a sense of achievement in being part of this fantastic singing group. This initiative has boosted wellness and self belief among the ladies.

##### Retreats

Throughout the year we offered a number of retreat days / weekends to women. These included:

- Post Abortion Healing retreat weekend;
- 'Loved' Miscarriage retreat
- Redeemed retreat weekend

##### The Well coffee morning fundraiser:

Another fabulous morning at The Well in November where much needed funds were raised for the ongoing work at The Well. This was a huge success with many in the community visiting The Well for the first time.

##### The Well Art exhibition:

The Well hosted its first ever art exhibition on Saturday 30th November. 'ART BY M' was by a local young girl who attends the Beloved teens group. This talented young girl who has additional learning needs displayed her work and sold many pieces. This was a real highlight of the year for us and her family. The young lady was thrilled at the interest, response and support. This was indeed a life changing experience for her. The feedback from all in attendance, and especially some of her teachers who popped in from the local special school was outstanding. A really worthwhile event.

##### Community Outreach

In December Beloved teens group gathered to make up hygiene products for a local charity.

Ongoing refurbishment works of "The Well" property. Throughout the year we continued to make a number of internal changes and upgrades to the property to ensure that we are able to offer women a safe and peaceful environment for the duration of their stay.

As a charity we are very grateful to all of our volunteers and supporters who make it possible for us to continue this vital Kingdom work.

#### **OBJECTIVES AND ACTIVITIES**

##### **Public benefit**

The Trustees seek to ensure that the Public Benefit requirement are considered and the Master Key Movement facilitates the support of individuals having due regard to the Charities Commission Northern Ireland guidance on public benefit.

The main public benefits which the charity aims to achieve are as follows:

Individuals will be able to explore the Christian faith and become more aware of Biblical teaching and prayer, which will encourage, support and strengthen them spiritually, mentally, emotionally and physically. Also, as they engage in local community groups and other public civic settings their sense of love and belonging will improve. This will enhance and positively benefit both the individual, their families and local communities.

Individuals will be equipped with relevant training and skills to help them reach their full potential in life by developing their mental, emotional, spiritual, physical and moral capabilities. This will enable better employment opportunities and thus relieving poverty, improving mental health and financial stability.

Individuals will experience an increase in physical, mental and spiritual welfare. In receiving the time and support needed, individuals will be strengthened and encouraged to think and act more positively in life, moving from a place of darkness and depression into a place of light and love.

A home of hope, healing and wholeness will also benefit women and girls in particular as a safe refuge from which they can move on and positively impact society. By attending programmes Individuals will receive genuine support and care. This in turn will greatly benefit society as a whole.

#### **FINANCIAL REVIEW**

##### **Financial position**

The results for the year ended 30th November 2024 are set out on pages 6 to 11 of the financial statements.

Income consists of donations and amounted to £30,494 for the year ended 30 November 2024.

After deducting expenditure of £27,954 a surplus of £2,540 arose for the year.

##### **Reserves policy**

It is the policy of the Charity that reserves that have not been designated for a specific purpose should be maintained at a level equivalent to between 1-2 months expenditure. The Charity considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue some activities however this would be on a greatly reduced scale. The Charity aims to achieve these levels of reserves in the following financial years.

##### **Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in accounting policies.

**Respective responsibilities of charity trustees and examiner**

As the charity's trustees (and also the directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 65 of the Charities Act

The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

My role is to state whether any material matters have come to my attention giving me cause to believe:

1. That accounting records were not kept in accordance with Section 386 of the Companies Act 2006
2. That the accounts do not accord with those accounting records
3. That the accounts do not comply with the accounting requirements of Section 396 of the Companies Act 2006 and with the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland
4. That there is further information needed for a proper understanding of the accounts to be reached.

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

Master Key Movement is a registered charity that carries out its purpose through the promotion of Christ-centred, Bible based programmes, speaking engagements, literature publication and distribution, conferences and prayer gatherings and prayer support for men, women and children throughout the world. These are conducted either in person or over an online platform such as Zoom. We also will provide a house of refuge for women and through that programme we shall offer support, mentoring, coaching, counselling, prayer, teaching and training to individuals. In addition to this, we plan to develop educational programmes to help adults and young people build resilience and a healthy emotional lifestyle. This will be delivered in educational settings, community/ faith groups or the like.

**Significant Activities**

Ongoing ministries:

Discipleship/ Food & Fellowship: These weekly meetings continue to take place on Monday and Thursday nights. Typically, there will be a two course meal served to the ladies, followed by Bible Study and prayer. In total, throughout the various groups during the year, 35-40 women attended.

Beloved: Following our Girls Gathering in June 2023, we then commenced our monthly meetings in September at The Well for teenage girls. These times are set aside to teach the Bible and pray together, but also to provide space for the girls to have fun and build their friendships.

Loved and Restored: This is our ministry where we provide a safe, loving space for women who have gone through the pain of separation and divorce. We held our first meeting at The Well in November 2023, where 20 women attended from across Northern Ireland. This proved to be a lifeline for some women, and there was a very real sense of love and belonging and many positive connections were made from our time together.

Prayer:

Ladies Prayer Meetings: Our prayer meetings continue to provide encouragement and support to the ladies who attend. We have now moved these from a Friday to a Monday and these times together are called "Mountain Moving Mondays".

"Acorns and Arrows": This is our prayer initiative where each month we take a county in Ireland and pray for it. This is mainly broadcast through social media outlets and also during our Monday morning prayer times.

**OBJECTIVES AND ACTIVITIES**

**Public benefit**

The Trustees seek to ensure that the Public Benefit requirements are considered and the Master Key Movement facilitates the support of individuals having due regard to the Charities Commission Northern Ireland guidance on public benefit.

The main public benefits which the charity aims to achieve are as follows:

Individuals will be able to explore the Christian faith and become more aware of Biblical teaching and prayer, which will encourage, support and strengthen them spiritually, mentally, emotionally and physically. Also, as they engage in local community groups and other public civic settings their sense of love and belonging will improve. This will enhance and positively benefit both the individual, their families and local communities.

Individuals will be equipped with relevant training and skills to help them reach their full potential in life by developing their mental, emotional, spiritual, physical and moral capabilities. This will enable better employment opportunities and thus relieving poverty, improving mental health and financial stability.

Individuals will experience an increase in physical, mental and spiritual welfare. In receiving the time and support needed, individuals will be strengthened and encouraged to think and act more positively in life, moving from a place of darkness and depression into a place of light and love.

A home of hope, healing and wholeness will also benefit women and girls in particular as a safe refuge from which they can move on and positively impact society. By attending programmes individuals will receive genuine support and care. This in turn will greatly benefit society as a whole.

**FINANCIAL REVIEW**

**Financial position**

The results for the year ended 30th November 2023 are set out on pages 6 to 11 of the financial statements.

Income consists of donations and amounted to £20,225 for the year ended 30 November 2023.

After deducting expenditure of £21,614 a deficit of £1,389 arose for the year.

**Reserves policy**

It is the policy of the Charity that reserves that have not been designated for a specific purpose should be maintained at a level equivalent to between 1-2 months expenditure. The Charity considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue some activities however this would be on a greatly reduced scale. The Charity aims to achieve these levels of reserves in the following financial years.

**Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in accounting policies.

**Reserves policy**

It is the policy of the Charity that reserves that have not been designated for a specific purpose should be maintained at a level equivalent to between 1-2 months expenditure. The Charity considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue some activities however this would be on a greatly reduced scale. The Charity aims to achieve these levels of reserves in the following financial years.

**Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in accounting policies.

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

Master Key Movement is a registered charity that carries out its purpose through the promotion of Christ-centred, Bible based programmes, speaking engagements, literature publication and distribution, conferences and prayer gatherings and prayer support for men, women and children throughout the world. These are conducted either in person or over an online platform such as Zoom. We also will provide a house of refuge for women and through that programme we shall offer support, mentoring, coaching, counselling, prayer, teaching and training to individuals. In addition to this, we plan to develop educational programmes to help adults and young people build resilience and a healthy emotional lifestyle. This will be delivered in educational settings, community/ faith groups or the like.

**Significant Activities**

Ongoing ministries:

Discipleship/ Food & Fellowship: These weekly meetings continue to take place on Monday and Thursday nights. Typically, there will be a two course meal served to the ladies, followed by Bible Study and prayer. In total, throughout the various groups during the year, 35-40 women attended.

Beloved: Following our Girls Gathering in June 2023, we then commenced our monthly meetings in September at The Well for teenage girls. These times are set aside to teach the Bible and pray together, but also to provide space for the girls to have fun and build their friendships.

Loved and Restored: This is our ministry where we provide a safe, loving space for women who have gone through the pain of separation and divorce. We held our first meeting at The Well in November 2023, where 20 women attended from across Northern Ireland. This proved to be a lifeline for some women, and there was a very real sense of love and belonging and many positive connections were made from our time together.

Prayer:

Ladies Prayer Meetings: Our prayer meetings continue to provide encouragement and support to the ladies who attend. We have now moved these from a Friday to a Monday and these times together are called "Mountain Moving Mondays".

"Acorns and Arrows": This is our prayer initiative where each month we take a county in Ireland and pray for it. This is mainly broadcast through social media outlets and also during our Monday morning prayer times.

1:1 Mentoring / Befriending:

Throughout the year individual meet ups took place with ladies who were struggling with their life circumstances. These meetings included walks and talks, and individual mentoring to improve wellbeing and provide a safe space for women.

**OBJECTIVES AND ACTIVITIES**

**Significant activities**

Eating Disorder Programmes:

In January 2023 we hosted our first Community Support Programme, which comprised of 12 weeks of support with a group of sufferers and carers. This proved to be a vital resource in our local community. Following this successful programme, we then introduced Transform-ED which is a monthly check-in for those who completed the programme, and we also ran another Community Support Programme starting in October 2023. In total, there were 10 women and girls who participated.

Also, for our Eating Disorder community we ran a number of crochet classes where individuals were able to come to learn a new skill. These times together greatly benefitted the participants who felt the positive effects of community and a real sense of achievement.

In February 2023, we started our Schools Eating Disorder programme with a local secondary school. This consisted of conducting an assembly for 120 Year 8 pupils, and then following on with three workshops for three different Year 8 form classes of approximately 70 young people.

Speaking Engagements:

Throughout the year we have had the opportunity to speak at several different churches, events, meetings and retreats, providing Bible teaching, prayer and presentations on the work of The Well. This has been a great encouragement to the Trustees and we truly appreciate every invite we have received.

Events:

Beloved Girls Gathering: This took place in June 2023 and was a day event for teenage girls. Throughout the day there were speakers, a panel, prayer opportunities, games, crafts and a BBQ. There were 25 girls in attendance.

Harvest is Ready: This fundraising event took place in November 2023 and was an Afternoon Tea and Fashion Show. The event was well supported and was a great opportunity to share of the work of The Well. In total there were approximately 200 people.

Feel Fab Feb Initiative: This initiative ran throughout the month of February and offered a holistic overview on wellbeing where we went for a walk around Castle Coole and then returned to The Well for food, fellowship and teaching on an aspect of wellbeing. In total, 12 women attended.

Retreats:

Throughout the year we offered a number of retreat days or weekends to women. Noted below are the retreat days offered in this year:

- April 2023: 'Open' Post Abortion Healing Retreat weekend;
- May 2023: 'Loved' Miscarriage Retreat;
- June 2023: 'Peace in the Pause' Menopause Retreat; and
- August 2023: Redeemed Retreat weekend.

Community Outreach:

In December 2022, we gathered hygiene products for a charity in Belfast who work alongside victims of human trafficking. We were pleased to use all these products to make hampers for these women.

Ongoing refurbishment works of "The Well" property. Throughout the year we continued to make a number of internal changes and upgrades to the property to ensure that we are able to offer women a safe and peaceful environment for the duration of their stay.

As a charity we are very grateful to all of our volunteers and supporters who make it possible for us to continue to do the Lord's work.

**OBJECTIVES AND ACTIVITIES**

**Public benefit**

The Trustees seek to ensure that the Public Benefit requirements are considered and the Master Key Movement facilitates the support of individuals having due regard to the Charities Commission Northern Ireland guidance on public benefit.

The main public benefits which the charity aims to achieve are as follows:

Individuals will be able to explore the Christian faith and become more aware of Biblical teaching and prayer, which will encourage, support and strengthen them spiritually, mentally, emotionally and physically. Also, as they engage in local community groups and other public civic settings their sense of love and belonging will improve. This will enhance and positively benefit both the individual, their families and local communities.

Individuals will be equipped with relevant training and skills to help them reach their full potential in life by developing their mental, emotional, spiritual, physical and moral capabilities. This will enable better employment opportunities and thus relieving poverty, improving mental health and financial stability.

Individuals will experience an increase in physical, mental and spiritual welfare. In receiving the time and support needed, individuals will be strengthened and encouraged to think and act more positively in life, moving from a place of darkness and depression into a place of light and love.

A home of hope, healing and wholeness will also benefit women and girls in particular as a safe refuge from which they can move on and positively impact society. By attending programmes individuals will receive genuine support and care. This in turn will greatly benefit society as a whole.
