The trustees

The trustees who served the charity during the year were as follows:

Mr M Scullion

Mrs T Scullion

Mr E McAteer

Structure, governance and management

The charity is governed by a Trust Deed.

The charity is constituted by trustees who manage and direct the charity. Under the requirements of the Trust Deed, the trust may from time to time by resolution of a meeting of the trustees increase or reduce the number of trustees and determine in what rotation such increased or reduced number shall go out of office and make appointments necessary for effecting any such increase.

Objectives and activities

The objective of the charity is to provide financial support to various projects (both pre-existing and newly established) principally based in Tanzania, associated with the establishment of water wells and the provision of clean, safe drinking water. The trust seeks to provide financial assistance to such projects with the aim of creating a sustainable structure for the development and running of these wells, which are often located in areas of extreme isolation and impoverishment with little or no access to clean drinking water. Not only will this work alleviate the hardship and ill health experienced as a direct result of unsafe drinking water, it will in turn create a framework from which social and economic benefits to local communities can flow.

The trustees have taken instruction on the Charities Act (Northern Ireland) 2008. In setting the Charity's objectives and planning our activities for the year the trustees have given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities have helped to achieve the charity's purposes and provide a benefit to the beneficiaries. Premier Electrics Charitable Trust became registered with The Charity Commission for Northern Ireland on 17 May 2022.

In establishing the objectives and planning of distribution of grants for the year, the trustees have given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities have helped to achieve the charity's purposes and provides a benefit to beneficiaries.

Achievements and performance

During the year, the charity financed the successful exploration and drilling of a well in Tanzania, in an area which had seen no rain for 6 months. This is enabling the inhabitants of the area to survive- providing clean, fresh drinking water, and enabling them to water their crops and grow food to eat.

Reserves

The charity does not hold any reserves, taking the view that the beneficiaries of the charity are better served by the provision of clean and safe drinking water than by earning small amounts of bank interest.

Financial review

The detailed results for the year and the charity's financial position at the year-end are shown in the attached financial statements.

The total unrestricted incoming resources for the year amounted to £11,000 (2024: £3,024), with expenditure of £10,276 (2024: £3,108), resulting in net incoming resources for the year of £724 (2024: net outgoing resources of £84) This leaves unrestricted funds of £727 at the year end (2024: £3).

One of the trustees is also a director of Premier Electrics Limited. The sole incoming resources of the charity are donations from Premier Electrics Limited.

Statement of Trustees' responsibilities

The trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and regulations.

The Charities Act (Northern Ireland) 2008 requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources for that period. In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP (Statement of Recommended Practice);
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
