The trustees present their report and the unaudited financial statements of the charity for the year ended 30 June 2023. The trustees have adopted the provisions of the Statements of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

Objectives and activities

The purpose of Hope2families, as set out in the Company's Memorandum of Association, is to help provide practical, emotional and spiritual support to families going through cancer and wider suffering.

Public benefit statement

- 1) PES support for families | We want to provide practical, emotional, and spiritual support for families that come our way, specifically those battling with cancer.
- 2) Instilling hope for families | We want to instil hope to any individual who comes in contact with our charity.
- 3) Restoration for families | We want to provide restoration for children, parents, and families; mending wounds and healing hurts.
- 4) Raising awareness for families | We want to raise awareness for cancer sufferers, those with addiction and impoverished families, providing them financial support and making people aware of the difficult situations' families are so often plunged into.

Achievements and performance

- 1) Diverse online content. We live in an age of technology, so we want to utilise it. We upload various content on a range of platforms, including podcasts.
- 2) Our Programs. We provide informative training programs such as education on drug and alcohol rehabilitation, education on supporting those with cancer and our 'abiding support program,' whereby we help those with cancer understand their diagnosis, reconcile their diagnosis and adjust to life with their diagnosis.
- 3) Events. Our building is the hub for all our activity! All our events! All our resources!
 - Christmas Dinner Event
 - Easter Conference Event
 - Summer Tent Mission
- 4) Teams for hope. How we reach the families in our communities is paramount. Painting, gardening, helping with moves and more. A key focus of our charity is visiting families and providing support for families within our local community through the various programs and resources that we run.
- 5) Wildfire. This is the youth branch of the charity, which has a focus of helping young people aged 17-24, through the events that we run and the content we produce.

Financial review

The financial results are as set out on pages 8 – 10 of the accounts. The charity's main source of income is from donations. Total income for 2023 was £60,663 compared to 2022 in £32,007. Total expenditure for 2023 was £55,907 compared to 2022 in £17,682.

Structure, governance, and management

The board of trustees named above continue to work to be the accountability and over-riding decision making management of the operation of the charity. This is achieved through quarterly and regular planned trustee meetings at which a full outline of past progress and strategic forward planning and any financial changes are discussed, and the appropriate minutes recorded. Financial accountability is always made readily available through regular recording, receipt keeping, and all monies being handled from the free-will offering box within the Hope2Families centre, all of which is accounted for by two people being present.
