### Notes to the Accounts for the year ended 31 March 2025

#### 1 Accounting policies

##### *Policies relating to the production of the accounts.*

##### **Basis of preparation and accounting convention**

The Accounts have been prepared on the receipts and payments basis, under the historical cost convention, and in accordance with The Charities (Accounts and Reports) Regulations (Northern Ireland) 2015 which are applicable to the financial years of registered charities beginning on or after 1 January 2016 or their date of registration with The Charity Commission for Northern Ireland.

##### **Going Concern**

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as trading revenues. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the Trustees, after reviewing the financial forecasts for future periods, are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the Trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

##### **Fund Accounting**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal or as implied by law.

##### **Liability to taxation**

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received.

##### **Winding up or dissolution of the charity**

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.
