1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

(i) *Assets retained for the Parish's own use*

The assets of the Parish, retained for its own use comprise:-

- Church Building, Graveyard and School Building
- Manse House
- Mission Hall
- Residential Property
- Fixtures and fittings

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102)

These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

On the same basis, the school building has no valuation attributed.

Other properties are at deemed cost, being the estimated fair value of the property at 31 December 2024. No depreciation has been provided on the property as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Fixtures and Fittings are recognised at a cost of renewal basis.
