Purposes and Objectives of D3MAC

The purpose of D3MAC is to help reduce social isolation for the most vulnerable within the area, improve health and wellbeing, and enhance the local environment. We aim to run programmes, events and services that will be made available to local people through social media. We aim to provide a safe space where local residents are welcomed and listened too. The community premises was established as a hub for the community, encouraging local people to engage in the programmes that we facilitate. We also provide volunteers with opportunities to engage with the community and learn new skills. Additionally, the youth activities will also help to reduce anti-social behaviour. Moreover, the provision of youth programmes offers young people a positive focus providing opportunities for the young people to develop existing skills and learn new ones.

Objectives, Activities and Performance

In setting our objectives and planning our activities for the year the trustees have given careful consideration to the Charity Commission NI's guidance on public benefit to ensure that the activities have helped to achieve the charity's purposes and provide a benefit to the beneficiaries.

During the year we:
