

Trustee Annual Report
Seaview Integrated Primary School PTA

Charity Number: 109733

Trustee's annual report for period 1st July 2024 to 30th June 2025.

The main purpose of our association is to advance the education of the pupils at Seaview Integrated Primary school Glenarm.

In particular by developing effective relationships between the staff, parents, and surrounding community and by engaging in activities and events to fundraise. From the funds we provide facilities, equipment and aid extra curricular activities which support the school, advance the education of the pupils, and provide the small rural community inclusivity.

Throughout the year we hold many events that encourage our whole rural to celebrate and work together. During this fiscal year we had the big sports day breakfast, book sales, bake sales, pub quiz, bingo, a tractor run and school raffle! We work tightly with our local village committee and also support them with community events like the Halloween spooktacular. Our committee is a fantastic hardworking group and do all this on a voluntary basis.

The support from any funding we receive is directly spent on the pupils at the school. The school is rural and socially isolated with limited facilities.

- Leaver's day inflatables and ice cream for the whole school
- Sports day treats

- Donation to Air Ambulance, Motor Neurone Disease Association (Feeney family) and Horatio's Garden (Montgomery family.)

We have also used social media such as Facebook and TikTok to encourage awareness and participation in community wide events. This has provided some great family days out and fantastic fundraising totals!
