Activities

Purposes: THE PURPOSES OF THE CHARITY ARE: 1.1 To foster and promote the Korean martial art and Olympic sport of Taekwondo in the Lisburn & Castlereagh area, to provide opportunities for recreation and competition to both male and female members. To deliver and promote the sport through weekly classes. To work with local schools and deliver training programmes and increase the membership. We are able to achieve this by the following. 1.2 As an amateur club we aim to deliver and promote the sport of Taekwondo to those with no previous experience, regardless of age, gender, or ability. 1.3 As an amateur club we aim to develop discipline, technique and Taekwondo skills in amateurs allowing them to progress up through belt grades. 1.4 As an amateur club we aim to support mental health and physical well-being to all new and existing members through the practice and tenets of Taekwondo, and to follow the rules and regulations as laid out by the governing body, British Taekwondo. 1.5 As an amateur club we coach individuals who are participating in the sport at a non-professional or recreational level. It typically includes practitioners who are learning and training in taekwondo as a hobby or for personal development, rather than as a career. Amateur level practitioners may participate in local tournaments or events, but they are not competing at the professional level. It's a great way to enjoy the sport, improve skills, and have fun without the pressure of professional competition.
