**Notes to the Financial Statements
For the Year Ended 30 June 2025**

1. General information

The company is a charitable private company limited by guarantee, registered in Northern Ireland. The address of the registered office is 123 Grangemore Park, Derry, BT48 0RZ.

2. Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. The Ryan McBride Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy Note(s).

Turnover

Turnover **represents** the total *value of* grants received and receivable as well as other income arising from other operating and fundraising activities during the year. Grants are recognised in the Profit and Loss account when the conditions for their receipt have been complied with and there is reasonable assurance that the grant will be received.

Tangible assets

Tangible assets are initially recorded at cost. and are subsequently stated at cost less any accumulated depreciation and impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property - 4% straight line
Plant and Equipment - 20% Straight Line
Fixtures and Fittings - 20% Straight Line

Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is

**Notes to the Financial Statements
For the Year Ended 30 June 2025**

Financial instruments (Continued)

recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

3. Funds

Unrestricted Revenue Funds - comprise those revenue funds which the management committee are free to use in accordance with the company objectives.

Restricted Revenue Funds - comprise those revenue funds which have been given for particular purposes and projects.
