

## **Treasurer's Report**

I present to the church this set of accounts as a record of all monies received and all expenditure paid out during 2025. It is to the best of my knowledge a true record.

Can I thank all the members for your generous support to the general church funds and missions account.

Andrew Frizelle  
Treasurer

## **Independent examiners statement**

I have examined the accounts for Donaghadee Baptist Church for the year ending 31 December 2025. I have no concerns and believe the documents as presented to me show the correct financial position for the church, its revenues collected and expenses paid for the period then ended.

Signed

Karen Cowan
