Happy Hooves

Trustees' Report

For the period ended 31 March 2025 (cont'd)

Happy Hooves is a community organisation that aims to provide residents in the Derry/Londonderry area with activities to improve mental health and wellbeing by providing equine therapy to improve their quality of life. The services we offer are art (where the ponies actually paint the paintings), recreational activities, spending time with the ponies, allowing local people to groom them, feed them, care for them etc.

We cater for people with wide ranging issues such as people with mental health needs, dementia sufferers, stroke victims, older people, children, young people, people with autism, people with physical disabilities, people with learning difficulties and people with cancer.

We also have outreach work, visiting residential homes, care-based establishments and the local Hospice, taking our ponies to the centres for the residents and patients so they can benefit from the therapeutic nature of miniature horses.

We also promote volunteering through our work and help develop people's skills and knowledge. Through our group we improve the conditions of life for people and help not only them but their wider family circle. This is evident from our users feedback and demand for our service.
