Activities

Purposes: The purposes of the charity are to raise funds in Northern Ireland to be used for evangelism and Christian teaching in Kenya, Tanzania and any other African country as the trustees consider appropriate. This evangelism will include evangelistic crusades, door-to-door evangelism, church meetings etc. Such activities will be organised mainly but not exclusively by Bishop Lucas Mbogo of Showers of Revival Churches in Kisumu and his pastoral team. Funds will be used for the hire or purchase of venues and equipment, transport of evangelism teams and for food and accommodation for evangelism teams during outreach. We will also be involved in supporting and encouraging churches in the discipleship of new believers and will fund pastors' fellowship meetings to facilitate this. We aim to provide bibles for any new converts who cannot afford to purchase one themselves. As a Christian charity we believe that the Christian faith is of great benefit both to individuals and their communities. We work in areas of great poverty, poor health and rising crime rates so encouraging Christian moral standards and faith can only improve the overall quality of life for the communities as well as the spiritual wellbeing of each individual who comes to faith. As the name of the charity suggests, our vision is revival of the Christian faith in Africa and all funds raised must be used with this aim in mind.
