## Activities

---

**Purposes:** The organisation is established for the public benefit to advance robust mental health and wellbeing across all sections of society without discrimination through any exclusively charitable means and in particular by: Providing Information and Education aimed at helping people to recognise, manage, and combat mental health difficulties. Organising and/or delivering workshops to equip people with practical tools, exercises, and coping strategies to help maintain robust mental or overcome mental health crises. Facilitating and assisting access to services aimed at bridging the gap between people and external mental health organisations. Representing and advocating for people who are experiencing mental health challenges within environments such as schools, clubs, and community settings. Raising awareness of the importance of robust mental health and promoting understanding within the wider community. Raising awareness of the mental health services available through signposting and information campaigns.

**What the charity does:** The advancement of health or the saving of lives

**How the charity works:** Advice/advocacy/information,Community development

**Who the charity helps:** General public
