Trustee's Annual Report

For the Year Ended 31st December 2024

The Trustees present their annual report and financial statements in accordance with the accounting policies and comply with the General Assembly Regulations for Congregational Finance, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting to Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16th July 2014.

Structure, Governance and Management:

Governing Document:

The church is administered in accordance with the terms of the Unitary Deed of Constitution.

Recruitment and Appointment of Trustees:

Operating now under a Unitary Deed, all members of the Kirk Session are the charity trustees.

The Kirk Session members are the elders of the church and are chosen from those members of the church who are considered to have the appropriate gifts and skills. The minister is a member of the Kirk Session.

Organisational Structure:

The Kirk Session is chaired by the minister and usually meets a minimum of four times a year. The Kirk Session were able to meet in person for all the Kirk Session meetings during 2024. The Kirk Session is primarily responsible for the spiritual affairs within the church, but under the unitary constitution, certain responsibilities are delegated as appropriate to the various committees within the Kirk Session eg: the Finance Committee and the Property Committee.

Objectives and Activities:

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in policy. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

Achievement and Performance:

The year 2024 the Minister and members continued to work together to deliver services to the congregation both via social media (Facebook), as a short Reflection on a Sunday morning for those who cannot attend church in person. A weekly email is sent out to members highlighting all the weeks activities and news. A printed copy is available in church each Sunday for those who do not receive emails to pick up if required. Throughout the year the monthly midweek worship services continued. Saturday coffee mornings continued throughout the year and are now held fortnightly.

Our Outreach Team has been active in organising events throughout the year which raise funds for the church and provide support for people in the wider community. In 2024 we also established a regular men's breakfast on Saturday mornings to develop fellowship among men associated with the congregation.

All other Church organisations and External groups met regularly in the foyer space and Church Sanctuary.

Throughout the year, we continued to maintain our buildings and regular checks were made on the Church Building to ensure it remains in good condition.

We are proud of the congregation of St Andrew's High Church Musselburgh who have been willing to maintain the congregation's activities and outreach throughout the year with love and enthusiasm.

The ongoing commitment of the congregation to charitable organisations such as Christian Aid, the East Lothian Foodbank, Women's Aid and the al Sharooq School for the Blind in the Holy Land.

Through participation with the other local Musselburgh Churches joint services are continuing to be held every month that has a 5th Sunday with each church taking turns at hosting these services. St Andrew's High hosts the quarterly Taizé services for the Musselburgh Churches Together Group.

St Andrew's High continues to participate in the local Community Cook Club. The club meets in St Peter's Scottish Episcopal Church.

In partnership with Dementia Friendly East Lothian, we provide premises for the Musselburgh Dementia Meeting Place, and continue to host a monthly Dementia Café in partnership with Alzheimer's Scotland. We are pleased to say that our church building and gardens have been used extensively during 2024 for various activities.

The Church continued with the "Growing Young" programme and as this programme has now come to an end they team are still working towards encouraging the community into our church gardens and services and activities. As this programme has drawn to its formal close the work continues, now rebranded as "Growing Together", extending its work to include all three Church of Scotland congregations in Musselburgh.

Looking to the future we are aware that restructuring of the Church of Scotland congregations will take place within a few years. In order to facilitate the process of readjustment the three ministers of the Church of Scotland congregations are meeting regularly, and under their leadership joint initiatives are being developed across all three congregations.

The congregation's work is dependent upon the dedication of members and friends who provide so much financial, practical and spiritual support, and this report is our opportunity to record our thanks to them all for enabling the continued presence of the church in worship and outreach. Ongoing activities include "Play Church", held during the summer months at the same time as morning worship, for children and families and a monthly Family Film Afternoon on Fridays.

IN 2024 [REDACTED] a South African minister seeking admission to the Church of Scotland was part of the ministry team.

We enjoyed his initiatives, energy and insights. [REDACTED] successfully completed his familiarisation programme, and was inducted into his own charge at Llanbryde and Urquhart, near Elgin, in December 2024. The ministry team will be joined in 2025 by [REDACTED] a probationer in his final placement for training for ministry.
