## Activities

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of education'

**What the charity does:** Across our service we offer three main support options, 1) Volunteer Support- Families are matched with a volunteer to provide one to one support, friendship and respite. Support is typically 2-3 hours weekly and tailored to the specific needs of families. All of our volunteers are required to be members of the Protecting Vulnerable Groups scheme (PVG) and complete introduction training prior to being matched with families. 2) Worker Support- We employ Family Coordinators in Oban and on Mull to provide one to one support, friendship and respite to families. This may be for families that need more intensive support or have complex needs. 3) Groups- We currently provide weekly, monthly and seasonal groupwork in Oban and on Mull. This includes Bookbug sessions, outdoor play, messy/sensory play, walking groups, baby massage, peer support groups and community cafes. All groups are free to attend following sign up where applicable.

**Beneficiaries:** 'Children or young people', 'People with disabilities or health problems'

**Objectives:** (a) To safeguard, protect and preserve the good health, both mental and physical of children and parents of children. (b) To prevent cruelty to or maltreatment of children. (c) To relieve sickness, poverty and need amongst children and parents of children. (d) To promote the education of the public in better standards of child care within the area of Lorn and its environs.
