Trustees' Annual report Year ended 31st December 2025

Structure, Governance and Management

Governing Document

The Church is administered in accordance with the terms of the Unitary Constitution.

Recruitment and Appointment of Trustees

The members of the Kirk Session are the charity trustees. The Kirk Session members are Elders of the Church and are chosen from those members of the Church who are considered to have the appropriate gifts and skills. The Minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery.

Organisational Structure

The Kirk Session is chaired by the Minister and meets regularly throughout the year. Certain responsibilities are delegated to working committees (including Finance and Property), which meet outside regular schedules as required.

Objectives and Activities

The Church of Scotland is Trinitarian in doctrine, reformed in tradition, and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

Our parish was formed following the Union of the previous Breich Valley and Whitburn South parishes in February 2024. This created the parish of Whitburn Burnfield Valley South, which sits alongside Whitburn Burnfield Valley North parish which was created at the same time from two adjoining former parishes. The eventual aim is to create a Team Ministry covering all 4 constituent previous congregations served by 2 Ministers, and work is continuing to progress towards this end. Joint services and other events have been held across the 4 congregations during the year under report.

Our Kirk Session has been formed from the Elders in the two congregations, and we continue to operate with a structure which does not require a Congregational Board.

Sunday worship has been held at both Breich Valley and Whitburn South churches throughout the year, with the previously-revised service times proving successful in allowing our Minister sufficient travelling time between the buildings to be able to conduct services in both locations. Pulpit Supply has been used on a number of occasions to support worship during absences, and the Minister has also engaged in pulpit swaps with his neighbouring colleague. Attendance at both churches has remained fairly steady during the year, although at lower numbers than we have seen historically.

Communion has been celebrated on a quarterly basis in both churches, and although Young Church activities had been curtailed as a result of infrequent young people in services, a toddler group has re-started at Breich Valley. Both churches could facilitate creche and other activities if required.

Trustees' Annual Report (cont.)

Year ended 31 December 2025

The Girls' Brigade continues to be successful and to meet at Whitburn South, although the Boys' Brigade is currently experiencing a measure of difficulty in recruiting members. A decision on the future of the company is pending. Both companies have recruited new leaders and helpers during the year. We owe a debt of gratitude to the officers and other helpers who continue to facilitate these weekly groups for the young people, for many of whom this is their only experience of the Church.

We have continued to involve members of the Congregation in services to deliver Bible readings, and we have willing teams who undertake greeting and other duties at our services. Fellowship after services continues to be enjoyed by those who are able to attend, and our Friday Coffee Morning meets most weeks at Whitburn South. Our newsletter covers both locations, and continues to be published monthly. It is distributed electronically where possible. Our Facebook page is well maintained, and these are chosen by some members of the community as their preferred contact option.

Achievements and Performance

Our technology team have continued to stream Whitburn South services using the YouTube platform and also to make them available as recordings via our Facebook page, and we have regular viewers who choose this as their preferred option for interacting with the Church or who are unable to attend in person. This process has been simplified as far as possible to minimise technical issues. Although services are not streamed from Breich Valley, services there are supported by technology in terms of presenting hymn lyrics and readings on screens as opposed to using hymn books.

Our services have continued to follow a fairly traditional nature of worship in both churches, and the minor practical alterations made previously within Whitburn South to allow streaming and recording have continued to prove successful.

Most of our regular hall-user community groups have continued to meet in both locations, which provides a welcome bridge between Church and the community. We have continued to support a number of outside organisations (e.g. African Child Trust sponsorship, local Polkemmet Primary School, Erskine Hospital, Social Bite) and have held a successful fund-raising afternoon tea event for our own funds, as well as benefitting from generous donations as well as regular offerings.

Financial Review

Offerings are our main source of income, and during the year remained fairly stable at between £4,000 and £6,000 per month across both congregations. Whitburn South has continued with the additional quarterly Communion Appeal offerings which contributed around an additional £4,000 to our income in the year.

We benefitted from one-off donations at a slightly higher level than in 2024. Donations are not regular income, and as such are not a 'sustainable' income source. We held a successful afternoon tea fundraising event in both Breich Valley church. Income from hall lets were slightly higher than expectations, and our other smaller income lines provided a measure of support to our overall financial position.

Our contribution to the national Giving to Grow Fund represents our largest outgoing by far, and during the prior year (2024) we ceased to benefit from the pro-rata reduction applied to vacant

parishes as Whitburn South was no longer vacant following the Union in February 2024. This effectively increased our expenditure by around £11,000 compared to the previous few years during which the church had been vacant. Our income did not see an equivalent step-change increase, which has created a deficit in our general funds for 2025 as we have met the full Giving to Grow allocated requirement. The Giving to Grow requirement for 2026 is at a similar level to 2025 which is likely to create a further annual deficit.

Energy costs increased as anticipated, in line with new tariffs which came into force during the year. We remain part of the central Church of Scotland collective negotiating scheme, but ongoing control of usage will remain important going forward. Other general expenses have been kept to a minimum through careful housekeeping and regular reviews of requirements.

Our fabric expenses included a significant outlay to fit security grilles to the Whitburn South Hall following repeated vandalism, and ongoing work required to bring the manse up to standard now that it is occupied by our Minister. The security grilles were funded from the Consolidated Fabric Funds held on our behalf by the General Trustees. We also made repairs to the church and hall buildings at both Breich Valley and Whitburn South.

Our general fund recorded a significant deficit position, which may be repeated in 2026 as a result of the imbalance between our income and expenses. This deficit in 2025 has been funded from reserves, which means that our ability to do the same in 2026 is diminished. The funds held centrally on our behalf by the General Trustees are principally from the sale of the former manse and a vacant plot of land at Breich Valley, and the outstanding loan from the General Trustees has been repaid from the sale of the land.

Reserves Policy

The Trustees accept that it is unreasonable to expect to hold any significant level of reserves other than those designated for specific purposes. At the year end the Church held unrestricted cash funds of £37,930 of which £3,707 was designated for Fabric Fund and £587 for Church Restoration Fund (Whitburn South only). The balance of £33,636 represents c.20 weeks' regular expenditure (down from 26 weeks in 2024). The Church also held further restricted and endowment funds which have been provided for the purposes specified in the Appendix to Note 2.

Statement of Trustees' Responsibilities

The members of the Kirk Session must prepare financial statements which give sufficient detail to enable an appreciation of the transactions of the Church during the financial year. The members of the Kirk Session are responsible for keeping proper accounting records which, on request, must reflect the financial position of the Church at that time. This must be done to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006, and the Regulations Anent Congregational Finance approved by the General Assembly of the church of Scotland in 2007. They are responsible for safeguarding the assets of the Church and must take reasonable steps for the prevention and/or detection of fraud and other irregularities.

Independent Examiner's Report to the Trustees of Whitburn Burnfield Valley South Parish

I report on the accounts of the charity for the year ended 31 December 2025 which are set out on pages 8 to 16.

Respective responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts and in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006.

The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of Independent Examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's statement

In the course of my examination, I note the following:

1. No matter has come to my attention which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts regulations have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Signed

5 Minister's Stipend

All Church of Scotland congregations contribute to the National Stipend Fund which bears the cost of all ministers' stipends and employer's contributions for National Insurance, Pension, and Housing and Loan Fund. Ministers' stipends are paid in accordance with the national stipend scale, which is related to years of service. For the year under review, the minimum stipend was £32,433 and the maximum stipend (in the fifth and subsequent years) was £39,856.

Trustees' Annual report

Year ended 31st December 2024

Structure, Governance and Management

Governing Document

The Church is administered in accordance with the terms of the Unitary Constitution.

Recruitment and Appointment of Trustees

The members of the Kirk Session are the charity trustees. The Kirk Session members are Elders of the Church and are chosen from those members of the Church who are considered to have the appropriate gifts and skills. The Minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery.

Organisational Structure

The Kirk Session is chaired by the Minister and meets regularly throughout the year. Certain responsibilities are delegated to working committees (including Finance and Property), which meet outside regular schedules as required.

Objectives and Activities

The Church of Scotland is Trinitarian in doctrine, reformed in tradition, and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

Our parish has been formed following the Union of the previous Breich Valley and Whitburn South parishes in February 2024. This created the parish of Whitburn Burnfield Valley South, which sits alongside Whitburn Burnfield Valley North parish which was created at the same time from two adjoining former parishes. The eventual aim is to create a Team Ministry covering all 4 constituent previous congregations served by 2 Ministers. However, this will require the central Church of Scotland to amend its legislation in order to allow such a Team Ministry to operate successfully. Joint services and other events have been held across the 4 congregations during the year under report.

Our Kirk Session has been formed from the Elders in the two congregations, and we continue to operate with a structure which does not require a Congregational Board.

Sunday worship has been held at both Breich Valley and Whitburn South churches, with the previously-revised service times proving successful in allowing our Minister sufficient travelling time between the buildings to be able to conduct services in both locations. Pulpit Supply has been used on a number of occasions to support worship during absences, and the Minister has also engaged in pulpit swaps with his neighbouring colleague. Attendance at both churches has remained fairly steady during the year, although at lower numbers than we have seen historically.

Communion has been celebrated on a quarterly basis in both churches, and although Young Church activities had been curtailed as a result of infrequent young people in services, a toddler group has recently re-started at Breich Valley. Both churches could facilitate creche and other activities if required.

Trustees' Annual Report (cont.)

Year ended 31 December 2024

The Girls' and Boys' Brigades continues to meet at Whitburn South, although the number of boys is currently particularly low. Both companies have recruited new leaders and helpers during the year. We owe a debt of gratitude to the officers and other helpers who continue to facilitate these weekly groups for the young people, for many of whom this is their only experience of the Church.

We have continued to involve members of the Congregation in services to deliver Bible readings, and we have willing teams who undertake greeting and other duties at our services. Fellowship after services continues to be enjoyed by those who are able to attend, and our Friday Coffee Morning meets most weeks at Whitburn South. Our newsletters have been refreshed and combined into a single publication for the parish covering both locations. It continues to be published monthly, and is distributed electronically where possible. Our website and Facebook page are well maintained, and these are chosen by some members of the community as their preferred contact option. Copies of our streamed services are available on these platforms.

Achievements and Performance

Our technology team have continued to stream Whitburn South services using the YouTube platform and also to make them available as recordings via our website, and we have regular viewers who choose this as their preferred option for interacting with the Church or who are unable to attend in person. This process has been simplified as far as possible to minimise technical issues. Although services are not streamed from Breich Valley, services there are supported by technology in terms of presenting hymn lyrics and readings on screens as opposed to using hymn books.

Our services have continued to follow a fairly traditional nature of worship in both churches, and the minor practical alterations made previously within Whitburn South to allow streaming and recording have continued to prove successful.

Most of our regular hall-user community groups have continued to meet in both locations, which provides a welcome bridge between Church and the community. We have continued to support a number of outside organisations (e.g. African Child Trust, local Polkemmet Primary School, Sight Scotland Veterans, Friends of Tippethill Hospital) and have held successful fund-raising afternoon tea events for our own funds, as well as benefitting from generous donations as well as regular offerings.

Financial Review

Offerings are our main source of income, and during the year remained fairly stable at between £4,000 and £6,000 per month across both congregations. Whitburn South has continued with the additional quarterly Communion Appeal offerings which contributed around an additional £4,000 to our income in the year.

We benefitted from one-off donations, although at a lower level than in years prior to 2023. Donations are not regular, and as such are not a 'sustainable' income source. We held successful afternoon tea fundraising events in both churches. Income from hall lets remained in line with expectations, and our other smaller income lines provided a measure of support to our overall financial position.

Our contribution to the national Giving to Grow Fund represents our largest outgoing by far, and during the year we ceased to benefit from the pro-rata reduction applied to vacant parishes as Whitburn South was no longer vacant following the Union in February 2024. This effectively increased our expenditure by around £11,000 compared to the previous few years during which the church had been vacant. Our income did not see an equivalent step-change increase, which has created a deficit in our general funds for 2024 as we have met the full Giving to Grow allocated requirement. The Giving to Grow requirement for 2025 is at a similar level to 2024 which is likely to create a further annual deficit.

Energy costs increased as anticipated, in line with new tariffs which came into force during the year. We remain part of the central Church of Scotland collective negotiating scheme, but ongoing control of usage will remain important going forward. Other general expenses have been kept to a minimum through careful housekeeping and regular reviews of requirements.

Our fabric expenses increased significantly in 2024 as a result of work required to bring the manse up to standard now that it is occupied by our Minister. We also made repairs to the church and hall buildings at Whitburn South, including windows, gutters & fascias, roof repairs, floodlighting, and boilers.

Our general fund recorded a significant deficit position, which may be repeated in 2025 as a result of the imbalance between our income and expenses. This deficit in 2024, together with the majority of our fabric expenditure, has been funded from reserves. The balance transferred from Breich Valley as part of the Union is classified as unrestricted funds and can be used for any purpose. The former manse at Breich Valley has been sold and the funds are held on our behalf by the central General Trustees.

Reserves Policy

The Trustees accept that it is unreasonable to expect to hold any significant level of reserves other than those designated for specific purposes. At the year end the Church held unrestricted cash funds of £60,489 of which £5,385 was designated for Fabric Fund and £581 for Church Restoration Fund (Whitburn South only). The balance of £54,523 represents c.26 weeks' regular expenditure. The Church also held further restricted and endowment funds which have been provided for the purposes specified in the Appendix to Note 2.

Statement of Trustees' Responsibilities

The members of the Kirk Session must prepare financial statements which give sufficient detail to enable an appreciation of the transactions of the Church during the financial year. The members of the Kirk Session are responsible for keeping proper accounting records which, on request, must reflect the financial position of the Church at that time. This must be done to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006, and the Regulations Anent Congregational Finance approved by the General Assembly of the church of Scotland in 2007. They are responsible for safeguarding the assets of the Church and must take reasonable steps for the prevention and/or detection of fraud and other irregularities.

Whitburn Burnfield Valley South Parish SC01053

Independent Examiner's Report to the Trustees of Whitburn Burnfield Valley South Parish

I report on the accounts of the charity for the year ended 31 December 2024 which are set out on pages 8 to 16.

Respective responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts and in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006.

The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of Independent Examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's statement

In the course of my examination, I note the following:

1. I cannot substantiate the transactions which resulted in the final balance from Breich Valley. I can however substantiate that the final balance in the bank account was transferred over to Whitburn Burnfield Valley South.
2. No matter has come to my attention which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts regulations have not been met, or
3. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
