## Achievements and Performance

Following Clyde Presbytery's publication of its long awaited Presbytery Plan, the linked Church of Scotland congregations of Skelmorlie and Wemyss Bay Parish Church, and Inverkip Church, united on 1st January 2024 to create Inverkip, Skelmorlie and Wemyss Bay Church of Scotland. The churches and halls of both congregations have been retained. This is a very positive outcome for our local churches compared with the situation facing many churches elsewhere.

In April 2024 permission was granted by Clyde Presbytery to call a minister and a nominating Committee was elected. The committee received a lot of interest in the charge and after a comprehensive selection process, the [REDACTED] was unanimously elected by the congregation in November 2024. He will take up his new role in January 2025.

Our thanks are due to our Interim Moderator, the [REDACTED], Pastoral Assistant, [REDACTED] and our team of worship leaders for conducting our Sunday worship so faithfully and meaningfully since 2021 when we did not had a Minister. They have also been involved in many aspects of the work of the congregation, particularly providing pastoral support to those in need.

Our Audio-Visual team has ensured that we have continued to make our weekly services available for viewing online via YouTube, an innovation which was very positively received during the COVID restrictions. The Kirk Session has met regularly to conduct business and the Nominating Committee has worked hard to recruit a new minister. Our usual activities such as the Sunday School, Guild, Bible Study, Friendship Circle, Prayer Group, Social and Fundraising Events, Community Activities (including Badminton and Country Dancing) and the Eco group have continued with all events now open to all members of the united congregation, wherever they are held.

Membership and income have continued to reduce but not significantly, particularly when the future of the church has been in some doubt and we have been without a minister for quite some time. We thank our members for their sustained generous support financially. In particular, we thank those who have so willingly give of their time and talents in so many areas. Without these efforts, there would be no Church of Scotland in Inverkip, Skelmorlie and Wemyss Bay.

## Financial Review

Due to the one-off income from the assets of Skelmorlie and Wemyss Bay Parish Church, the total income of the united church exceeded £250,000 and therefore the 2024 accounts are prepared on an Accrued (SORP compliant) basis.

The Accounts show a surplus for the year of £244,671 but this includes the transferred assets from Skelmorlie and Wemyss Bay Parish Church of £240,967.

The principal source of income is member offerings and donations. Total offerings and donations for 2024 were £85,120 excluding Gift Aid tax refunded, In 2023 equivalent amounts for Inverkip Church and Skelmorlie and Wemyss Bay Parish Church were £43,960 and £41,003 respectively, giving a total of £84,963, so there was no significant change. Further year to year comparisons are difficult due to the union of the two congregations.

Other points worth noting are:

- The trustees have agreed to sell the former manse in Inverkip. Proceeds of this sale which should amount to around £300,000, will be held by the General Trustees for property related expenditure by the congregation.
- £15,784 was spent on upgrading the manse in Skelmorlie in preparation for the arrival of our new minister.
- £15,045 was spent on upgrading the kitchen at Inverkip hall, for which funds had been reserved in previous years.
- The cost of the Pastoral Assistant post which was previously part funded by Clyde Presbytery, was £13,091 for 2024. The Trustees have previously agreed that funding this post is a good use of our reserves.
- Energy costs have risen considerably in recent years and totaled £15,605 in 2024, with electric space heating in the church and hall in Skelmorlie accounting for 65% of this figure.

## Reserves Policy

The charity Trustees have considered the reserves required and have taken into account their current and future liabilities. It is the Trustees' policy to hold reserves of a minimum of 12 months expenditure including designated funds. Current reserves will provide for in excess of 24 months of expected expenditure.

At the year end, the Church held unrestricted funds of £335,145 of which £44,680 is designated for the property maintenance fund and £1,699 for the Sunday Club. The remaining balance of £288,766 in the General Fund is available to meet any item of unexpected expenditure in the future. The Church also held restricted funds of £11,964 in the Kerr Organ Fund and £1,272 in the Warm Spaces Fund and endowment funds of £34,357 in the Crawford Bequest Fund.

In addition, the General Trustees of the Church of Scotland hold assets valued at £25,333 on behalf of the Church which is available to meet items of expenditure on the Church buildings.

## **Trustees' Responsibilities in Relation to the Financial Statements**

- The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in Scotland requires the charity trustees to prepare financial statements for each year which show a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing the financial statements, the trustees are required to: select suitable accounting policies and then apply them consistently; observe the method and principles in the applicable Charities SORP; make judgements and estimates that are reasonable and prudent; state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence. The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy, at any time, the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information on the congregation's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**Independent Examiner's Report to the Trustees of Inverkip, Skelmorlie & Wemyss Bay Church of Scotland**

I report on the accounts of the charity for the year ended 31 December 2024 which are set out on pages 8 to 19.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

**Basis of independent examiner's statement**

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

**Independent examiner's statement**

In the course of my examination, no matter has come to my attention.

1. which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
  - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations have not been met, or
2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## **Accounting Policies**

The principal accounting policies, which have been applied consistently in the current and preceding year in dealing with items which are considered material to the accounts, are set out below.

### **Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS102) effective from 1 January 2019 and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities accounts (Scotland) Regulations 2006 (as amended).

### **Fund accounting**

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity.

Endowment funds are funds which have been given on the condition that the original capital sum is not reduced, but the income there from is used for the purpose defined in accordance with the objects of the charity.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

### **Going concern**

The Trustees consider that there are no material uncertainties about the ability of the charitable company to continue for the foreseeable future, and therefore has adopted the going concern basis in preparing these financial statements.

### **Recognition of income**

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

### **Donated services and facilities**

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102) the general volunteer time of congregation members is not recognised.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised as expenditure in the period of receipt.

### **Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

### **Recognition and allocation of expenditure**

Expenditure is included in the Statement of Financial Activities on an accruals basis and is recognised when there is a legal or constructive obligation to pay for expenditure.

### **Fixed Assets**

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the Church, halls and manse, vested in the Church of Scotland General Trustees. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the Statement of Financial Activities in the period in which the liability arises.

### **Investments**

Fixed asset investments are stated at market value at the balance sheet date. Unrealised gains and losses represent the difference between the market value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and market value at the end of the year. Realised gains and losses represent the difference between the proceeds on disposal and the market value at the start of the year or cost if purchased in the year.

### **Taxation**

Inverkip, Skelmorlie and Wemyss Bay Church of Scotland is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities. The charity is not registered for VAT and resources expended therefore include irrecoverable input VAT.

### **Cash and cash equivalents**

Cash and cash equivalents include cash in hand and deposits held at Bank of Scotland, Virgin Money and with Church Of Scotland Investors Trust.

### **Debtors**

Trade and other debtors are recognised at the settlement amount due after any discount offered. Prepayments are valued at the amount prepaid net of any discounts due.

### **Creditors**

Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.
