Alliance Française de Glasgow

Report of the Trustees for the year ended 31 July 2024

The trustees are pleased to present their report together with the financial statements for the year ended 31 July 2024.

Status of Charity and Governing Document

Alliance Française de Glasgow ("the charity") is a recognised Scottish charity (No. SC001256), governed by its Memorandum and Articles of Association. Alliance Française de Glasgow (part of a world wide network of Alliances Françaises) was founded in 1982 and was incorporated as a company limited by guarantee (No. SC197741) on 1 July 1999.

The charity converted its status to a Scottish Charitable Incorporated Organisation (SCIO) on 7 August 2019 and retained its existing Scottish charity number. The SCIO is regulated by its own constitution.

A SCIO is a legal entity and as such the trustees are in general protected from incurring personal liability and can enter contracts, employ staff, own property etc.

Principal Activities and Charitable Objectives

The charity continues to fulfil its original charitable objectives of promoting knowledge of French language and culture in the City of Glasgow and the surrounding area.

Office Bearers

The Trustees who served during the year and to the date of this report were as follows:

Appointment of Trustees

New Trustees are appointed for a period of three years and are elected by members of the SCIO. Prior to their appointment, new Trustees would be familiar with the charity's values, its aims and objectives as well as its day-to-day operations. As part of their induction programme, new Trustees are required to understand their statutory responsibilities.

Report of the Trustees for the year ended 31 July 2024

Financial review

Principal sources of funding

The charity receives most of its funding from charging tuition fees for its educational activities. It also receives Grant Funding from The French Ministry of Foreign Affairs.

Results for the year

The financial statements for the year are set out in pages 5 to 13. The Statement of Financial Activities on page 5 reflects net expenditure for the year of £13,911 (2023: £109,430).

Reserves

The charity maintains free reserves sufficient to finance its operating costs. Reserves in excess of this amount are applied to further the charity's objectives. The charity's free reserves at 31 July 2024 amounted to £155,826 (2023: £167,630).

Statement on risk

The trustees assess the major risks to which the charity is exposed on an ongoing basis and have established procedures to mitigate those that are identified as a result of these reviews.

Trustees' Responsibilities

Under legislation relating to charities in Scotland, the Trustees are required to prepare financial statements for each financial year which give a true and fair view of the state of the charity's affairs and of its incoming resources and application of resources, including its surplus or deficit for that year, and which have been properly prepared from and are in agreement with the accounting records of the charity and comply with relevant disclosure requirements.

In preparing those financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue its activities.

The Trustees are required to act in accordance with the constitution of the charity, and within the framework of trust law. They are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the Financial Statements comply with the requirements of Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 flowing there from. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the charity and to prevent and detect fraud and other irregularities.

On behalf of the Board

Dated: 25/04/2025

Report of the Independent Examiner to the Trustees for the year ended 31 July 2024

I report on the accounts for the year ended 31 July 2024 which are set out on pages 5 to 13.

Respective Responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity's trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Alliance Française de Glasgow

Notes to the Financial Statements for the Year Ended 31 July 2024

1. Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

General Information

The charity is a Scottish Charitable Incorporated Organisation and the address of the registered office can be found within the reference and administrative details.

The presentation currency of the financial statements is pounds sterling (£).

Basis of preparation

The financial statements have been prepared in accordance with Financial Reporting Standard 102, as issued by the Financial Reporting Council (effective 1 January 2016) ("FRS 102"), the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), and Statement of Recommended Practice (SORP) - Accounting and Reporting by Charities (as amended by Update Bulletin 1).

The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transition value unless otherwise stated in the relevant accounting policy.

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income

All income is recognised once the charity has entitlement to the income, there is sufficient certainty or receipt and so it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably.

Income received in advance of classes or provision of other specified service it is deferred until the criteria for income recognition are met.

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses, including support costs and governance costs, are allocated or apportioned to the applicable expenditure headings in the statement of financial activities.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:-

Computer equipment	- 25% and 33 1/3% straight line
Library refurbishment	- 20% straight line
Library stock	- 25% straight line
Library equipment	- 33 1/3% straight line
Furniture	- 33 1/3% straight line
Website costs	- 33 1/3% straight line

Alliance Française de Glasgow

Notes to the Financial Statements for the Year Ended 31 July 2024

1. Accounting Policies (continued)

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Foreign Currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Monetary assets and liabilities are retranslated at the rate of exchange ruling at the balance sheet date. All differences are taken to the Statement of Financial Activities.

Investments

Fixed asset investments are stated at market value at the balance sheet date. The statement of financial activities includes net gains and losses arising on revaluation and disposals throughout the year.

Fund Structure

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed.

Further details of each fund are disclosed in note 17.

Impairment of Assets

Assets, other than those measured at fair value, are assessed for indicators of impairment at each balance sheet date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss as described below.

Non-financial assets

An asset is impaired where there is objective evidence that, as a result of one or more events that occurred after initial recognition, the estimated recoverable value of the asset has been reduced. The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use.

Where indicators exist for a decrease in impairment loss, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.

Financial assets

For financial assets carried at amortised cost, the amount of impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate.

For financial assets carried at cost less impairment, the impairment loss is the difference between the asset's carrying amount and the best estimate of the amount that would be received for the asset if it were to be sold at the reporting date.

Where indicators exist for a decrease in impairment loss, and the decrease can be related objectively to an event occurring after the impairment was recognised, the prior impairment loss is tested to determine reversal.

An impairment loss is reversed on an individual impaired financial asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.
