Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of the arts, heritage, culture or science', 'the advancement of public participation in sport', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: Fintry Sports and Recreation Club provides facilities and opportunities to participate in a variety of sports (Squash, Rugby, Football, Indoor Bowling, Fitness) and provides spaces for a cafeteria, bar, meeting rooms, a small village shop, a village museum and drama club storage, in rural West Stirling on land, part of which, is leased from Fintry Community Council and partly on land owned by the Club. To help with fund raising, it has created a subsidiary Community Interest Company, FSRC Trading CIC, which concentrates on non-charitable activities. The Club is run by an elected group of Trustees which includes representatives of each of the activities using the facilities and Fintry Community Council.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The objects of the Club are: • to promote the benefit of the inhabitants of Fintry and District, without distinction of political, religious or other opinions, by associating the Local Authorities, Voluntary Organisations and inhabitants in a common effort to advance education and to provide facilities in the interest of social welfare for recreation and leisure-time occupation with the object of improving the conditions of life for the said inhabitants. • to promote the advancement of public participation in sport. • to advance the heritage of Fintry and surrounding areas in relation to its history and people. • the relief of those in need due to the disadvantage of their rural location

Charity Ref. No. SC001505

TRUSTEES' ANNUAL REPORT FOR YEAR ENDING 28th Feb. 2025

Club Address - The Clubhouse, Kippen Road, Fintry, G63 0YA

Trustees - Management Committee of Fintry Sports and Recreation Club:

Trustees are elected annually by members at the AGM

Bankers - Santander, Bootle, Merseyside

Independent Financial Examiner - [REDACTED] Carrick Kerr & Co

History, objectives and activities

Fintry Sports and Recreation Club was formed in 1979 by a group of enthusiasts who wanted to provide sporting facilities in West Stirlingshire. It is recognized by the Office of Scottish Charities Regulator as an unincorporated association.

Land was donated to the village of Fintry by [REDACTED] of Culcreuch Castle and pitches were laid out and a clubhouse with squash courts and changing facilities was erected. The Club thrived and developed a varied selection of activities and facilities – squash, rugby, football, indoor bowling, fitness room, table tennis, fiddle and accordion music club, aerobics – as well as a shop, cafeteria, lounge bar and Village Museum.

The objects of the Club are:

- to promote the benefit of the inhabitants of Fintry and District, without distinction of political, religious or other opinions, by associating the Local Authorities, Voluntary Organisations and inhabitants in a common effort to advance education and to provide facilities in the interest of social welfare for recreation and leisure-time occupation with the object of improving the conditions of life for the said inhabitants
- to promote the advancement of public participation in sport
- to advance the heritage of Fintry and surrounding areas in relation to its history and people
- the relief of those in need due to the disadvantage of their rural location.

Trustees' Responsibilities

The Trustees organise the finances of the Club and the development and maintenance of the facilities. They decide the charges for playing fees and membership and promote participation in the sports offered at the Club. It is the responsibility of the trustees to review the financial risks that the Club faces and to plan accordingly.

The objectives are achieved by providing and maintaining good quality venues where sporting and recreational activities can take place. To do this, money is raised through membership subscriptions, playing fees, our small shop and through our subsidiary company, FSRC Trading CIC, which runs a cafeteria and bar and organises fund raising events e.g. quiz nights, Burns Supper and musical entertainment. For capital expenditure, grants and loans are sought from funding bodies like National Lottery, Scottish Rugby Union, Robertson Trust and members sometimes provide loans or gifts.

Many skilled volunteers freely give of their time for coaching in rugby, squash, football and bowling. Outwith the Management Committee, volunteers contribute well in excess of 100 hours per week in coaching and administration. Many aspects of maintenance of the buildings and equipment are carried out by skilled and qualified members.

Management

The Trustees of the Club are the Management Committee of Fintry Sports and Recreation Club which is elected annually. Apart from financial responsibilities, this committee runs and maintains the facilities, and employs the staff. Each section within the Club, e.g. rugby, bowling, football, fitness gym and squash looks after their own playing affairs and appoints a member to represent them on the Management Committee.

Fintry Community Council has two places on the Management Committee (not trustees).

All trustees are aware of their responsibilities and the Club OSCR reporter briefs new trustees on the procedures involved.

No trustee receives remuneration.

All profits are used to develop the Club and to provide and maintain the facilities.

The Club Manager (not a Trustee) is appointed by the Trustees and is responsible for the day-to-day running of the club – staffing, cleaning, stock, bookings. This is a paid position.

Charity law requires the trustees to prepare SORP-conforming financial statements for each financial year which show a true and fair view of the state of affairs of the Club and its financial activities for that period. The accounts for 2024/25 are included in this report.

Achievements

The club provides good quality sporting facilities for a wide variety of participants. It continues to localise facilities normally only provided in large towns. Inevitably, this reduces our carbon footprint and saves time for our members and other participants. They range from young primary pupils to very senior citizens. Our close links with Fintry Primary School and Balfron High School continue to expand and with the help of Active Stirling we help bowling sessions for local children. They also helped run courses in child protection for club coaches and helpers and run senior citizen fitness classes. The Edmund Gallery, our village museum, is proving to be a popular additional attraction at the Club. It has become a useful pop-up facility for talks, meetings and performances as well as being a focus for some nostalgia for present and former residents of the area. This precious facility has been achieved, in the usual way, through fundraising, members' gifts and donations of cash, building skills and time.

The junior and female sections of the rugby club continues to grow and plans are being drawn up to provide suitable female changing facilities. That growth has continued with the return of the annual charity rugby festival involving 10 clubs from all parts of Scotland, again, with vital help from club coaches, parents and Balfron High School. There is a high degree of involvement by parents in the running of the Club. All coaches throughout the Club have gone through training courses run by SRU or Stirling Council.

Indoor bowling is maintaining its popularity although the ages of members playing the sport continues to increase, indicating that we will have to give some attention to publicising the excellent facilities in order to maintain numbers. It is interesting to note the growing number of social groups taking part in bowling particularly from local villages like, Killearn, Strathblane and Balfron.

Sadly, the uptake of squash continues to be very disappointing and some serious consideration will have to be given to encouraging new interest in the game or finding a new activity for the space.

Many people have commented on the neat, tidy and colourful condition of the Club grounds. This is due entirely to the hard work of our volunteer members. Their efforts are greatly appreciated.

Our subsidiary Community Interest Company (CIC), formed to look after our non-charitable fund-raising activities, has, again, performed well and has made a donation of £20,000 to our funds. We will carefully monitor the relationship between the activities of our CIC and Fintry Sports and Recreation Club to ensure that we are following the advice offered by OSCR and HMRC.

Our Club Manager and her staff continue to provide a very effective and popular emergency shopping facility which saves long journeys to Stirling or Glasgow. Similarly, our catering and hospitality facilities have returned to pre-covid levels of popularity.

Management of Risk

The Club does not invest in Stocks and Shares. Surplus funds are put in bank deposit accounts.

Financial Reserves

The Club has no specifically identified financial reserves. When new projects are undertaken, the treasurer is responsible for maintaining the appropriate bank balance to complete the job. However, we intend to create a backup fund to help with any emergencies that crop up.

Comments on Accounts for year ending 28th February 2025

The principal funding sources for the Club are membership subscriptions, playing fees, sales from shop and catering.

- Membership numbers have steadied recently and we have benefitted from the closure of nearby indoor bowling clubs.
- Facility usage is also showing signs of recovery despite playing fees being increased.
- Wage costs have increased as we continue to pay the 'Living Wage Plus' to our employees.
- It is obvious that the Club could not achieve its objectives based only on the income from membership and playing fees. It is essential that both Fintry Sports and Recreation Club and FSRC Trading CIC continue to raise additional funds through our other associated activities.
- The Notes to the Accounts give a closer inspection of the income and expenditure.

Note 2

Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - the trustees are virtually certain they will receive the resources; and - the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

**POLICIES ADOPTED
ADDITIONAL TO OR
DIFFERENT FROM THOSE
ABOVE**

Fixed assets (land & Buildings and Furnishings & Fittings) are depreciated at a set amount each year.
