Structure, Governance and Management

**Governing Document**

The Church is administered in accordance with the terms of the Deed of Constitution (Unitary Form).

**Recruitment and Appointment of Trustees**

Members of the Kirk Session/Congregational Board (the Session) are the charity trustees. The Session members are the elders of the church and are chosen from those members of the church who are considered to have the appropriate gifts and skills. The minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery. The Session shall appoint a Clerk who may or may not be a member of the Session but shall be a member of the congregation. The Session shall appoint a Treasurer who, if holding only that office, need not be a member of the Congregation. Both appointees shall hold office at the pleasure of the Session.

**Organisational Structure**

The Session may constitute committees and shall specify their remit and duties and may specify any restriction or condition on the committee which it considers appropriate. A committee may constitute sub-committees and shall specify their remit and duties and may specify any restriction or condition on the sub-committee which it considers appropriate.

Objectives and Activities

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in policy. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

Public worship is routinely conducted twice per week in two separate locations. Strachur Church building is made available to all members of the community for marriages and funerals, as is the one at Strathlachlan. Strachur Church is normally open during daylight hours and is also made available (as requested) to outside organisations e.g. Strachur History Society. However, due to the COVID pandemic both Church buildings were closed, unless being used for worship. The Guild meets regularly on a monthly basis at Strachur Memorial Hall, during the winter season.

The parish minister is available to all members of the community whether as individuals or in groups.

Achievements and Performance

The Church interacts with a variety of other charities in a number of ways. Retiring collections are a regular feature, not just at times of specific life events, the proceeds of which are disbursed to deserving causes (Pg.12). Premises for storage purposes (manse outbuildings) continue to be provided free of charge. In particular, material collected for the use of the Strachur Community Men's Shed charity is currently being stored in one area.

The Church continues to offer pastoral care as required with Strachur Church open daily to the community and visitors . A self-service '*food table*' continues to be stocked and is available to all.

As a linked charge with Lochgoilhead and Kilmorich Parish, costs are shared equally where appropriate e.g. community charge and Ministers expenses. Whilst the Minister remains domiciled at Strachur manse the linkage necessitates increased travel and provision of a system of pulpit supply. The cost of pulpit supply is initially borne by the appropriate parish and is then normally reclaimed in full through the Presbytery/Augusta Lamont bequest, however following the establishment of a new Presbytery (CEi) and resultant change in committee structures, reimbursement of travel expenses was not included for this year. Clarity on this issue is being sought by the treasurer. In some cases, those involved in pulpit supply may decide to offer their remuneration to the parish rather than retain it.

In addition to necessary maintenance, replacement of the circular stained glass window located in the west wall of Strachur Church was completed. This was made necessary following storm damage and was enabled by a successful insurance claim. £450 was paid out from the Fabric Fund.

## Financial Review

Although congregational giving including tax reclaimed on Gift Aid was down slightly to £15,354 (£15,899), this was offset by increased investment income and a donation of £1,000 from a member of the congregation. No legacy funding was received this year but the General Fund remains healthy with a working balance of £10,125 (£10,557). As previously mentioned, full reimbursement of pulpit supply costs was not possible this year with £531 being retained by the Augusta Lamont Committee. Recovery of this amount continues to be investigated by the treasurer. £3,200 (£2,067) was received and it is expected that pulpit supply will increase in 2025.

A donation of £1,500 was made to the Fabric Fund by the White Elephant Shop enabling replacement of Strachur Church front door. The fund remains in surplus. Two payments of £1,105 each were received from the Augusta Lamont Bequest into the *Faith in Cowal Fund*, this will allow for further development in 2025. A further £7,300 was also received as continued funding of the *Cowal Art Project*. This was augmented by £1,827 from the Parish, representing 20% of the overall grant and allowing the project to continue for another year. It is expected that this grant will be repeated in February 2025.

Overall expenditure during the year reduced to £34,202 (£35,512) including continuing payroll; marketing and associated costs of both the Cowal Art Project and the Faith in Cowal website, run on behalf of the Presbytery. Cowal Art Project expenditure totalled £8,416 (£7,383) with the project being extended to include Lochgoilhead. Electricity supply costs continue to increase and are kept under regular review with changes to the supplier being made when necessary. The *Giving to Grow* contribution along with *Presbytery Dues* were met in full but it is expected that these will rise appreciably next year, however the treasurer has requested recalculation of the G.t.G. contribution due to a possible error.

The General Fund experienced a budget surplus as expected although significantly less than forecast, due to lower income and higher costs than expected. This situation is not expected to change throughout the coming year therefore a General Fund Budget deficit is forecast for 2025.

### **Reserves Policy**

At year end the Church held unrestricted cash & endowment funds totalling £44,928 (£43,260) including £25,000 (£15,000) which continues to be held on interest bearing deposit with the Church of Scotland Investors Trust. £10,000 was transferred from the CO-OP current account in order to secure further interest on liquid funds.

The Church also held £12,358 (£16,378) of liquid restricted funds including £8,000 (£8,000) on deposit, which have been provided for the purposes specified in Note 2.

Beyond the liquid funds held are further amounts on Capital Account with the Church of Scotland General Trustees. These are held for contingency purposes and are detailed in Appendix 1 attached to these accounts. The market value of the investments at year end was £212,600 (£196,688).

Statement of Trustees' Responsibilities

The members of the Kirk Session/Congregational Board must prepare financial statements which give sufficient detail to enable an appreciation of the transactions of the Church during the financial year. The members of the Kirk Session/Congregational Board are responsible for keeping proper accounting records which, on request, must reflect the financial position of the Church at that time. This must be done to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 and the Regulations Anent Congregational Finance approved by the General Assembly of the Church of Scotland in 2007. They are also responsible for safeguarding the assets of the Church and must take reasonable steps for the prevention and/or detection of fraud and other irregularities.

Approved by the Trustees and signed on their behalf,

  
Clerk to the Kirk Session/Congregational Board

## **Independent Examiner's Report to the Trustees of Strachur & Strathlachlan Parish Church \_ SC001767**

I report on the accounts of the charity for the year ended 31st December 2024 which are set out on pages 8 to 15.

### **Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006.

The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

### **Basis of independent examiner's statement**

An examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

### **Independent examiner's statement**

In the course of my examination, no matter has come to my attention.

1. which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with Section 44 (1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
  - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
