## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of education', 'the advancement of health', 'the advancement of public participation in sport', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

**What the charity does:** To give people with disabilities the opportunity to learn to ride or drive a horse and benefit from this therapeutic activity and to support this activity by ensuring they can learn in a pleasant, safe and supportive environment. This is achieved by providing riding sessions either in groups or as individuals. We also provide therapy sessions by way of stable management sessions where participants learn to care for the horse and learn about the environment they live in again this can be in group sessions or as individuals. Another form of therapy session is Tea With a Pony where individuals spend time with the horses and ponies and then come together for a time of socialising over a cup of tea/coffee.

**Beneficiaries:** 'People with disabilities or health problems'

**Objectives:** Objects 5. The Objects are specifically restricted to promote, advance, manage, effect and further the objects of the Company, that is to say the relief of disabled persons by the provision or assistance in the provision of facilities for riding so that all disabled persons who would benefit in their mental or physical health from horse and pony riding shall be given the opportunity to do so (the word 'riding' whenever the

same appears includes driving, meaning the use of horse or pony drawn vehicles). to establish and provide horse and pony riding for disabled persons subject to the consent of their medical advisers and so as to promote their social welfare and improve their conditions of life by training, recreation and others forms of rehabilitation. to establish and provide facilities to the medical profession for research into the beneficial effects of riding for all types of disability on terms that the results of all such research shall be made public.
