Report of the Trustees
for the Year Ended 31 December 2025

The trustees present their report with the financial statements of the charity for the year ended 31 December 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and Activities

Objectives - The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

Activities - In St. Paul's on Sunday there is one service of worship at 10.30am (changing to 11am from the beginning of January 2026). The evening services have restarted once per month, the last Sunday of the month, as a new worshipping space. This began on 29 June 2025. The morning service is recorded and streamed on the internet. There have been 50 people logging on during worship and 200-300 in the ensuing week. A weekly Prayer Meeting is held on a Monday evening. The Sacrament of Holy Communion is celebrated during the morning service in January, April, June and October. Advent Services are held at 9.30am on a Saturday four weeks prior to Christmas and Services for Lent at 9.30am on a Saturday four weeks before Easter. Guest Preachers and Elders have delivered the addresses at these and the evening services. A number of house bible study groups operate in the Parish. The Church choir lead morning worship and meet on a Thursday evening for practice. Baptisms, weddings and funerals are arranged through the Minister.

A Harvest Thanksgiving Service is held in September with donations given to the house-bound and local charities. A family service is held on Christmas Eve at 7pm.

A new group has been started by Dr Alison Bates, "At ease with ASD" to support the families of those with ASD, and this meets on a Friday in one of our halls. It was run for 7 years outwith our church but has been brought into the church providing a quieter space and to allow for expansion.

In the course of 2025 a creche facility during morning service was resumed called Seedlings at St Paul's.

The Sunday Club and Bible Class meet during the morning service each week for children from three years old to those in S6.

The Ark, for Secondary School pupils, meets once a month.

In the course of 2025 a Youth Fellowship was begun for S1 to S6 and met three times.

A Toddler Group entitled "Noah's Ark" operates on a Thursday morning, during school term, for children up to the age of 3 years.

BreakAway@St. Paul's is an outreach to the community to support the family members and family with early onset dementia. The group meet on a Tuesday afternoon and provide a relaxed dementia-friendly and sociable environment promoting inclusivity, with opportunities for members to enjoy chat, share in activities and make new friends.

The Guild and the Badminton Club meet weekly and the Men's Association fortnightly, throughout the Church season. An in-house produced magazine entitled "Life at St. Paul's Milngavie" together with our Church website and a printed Sunday Intimations sheet are our primary ways of communicating with the congregation. A lunch club is run by members of the congregation every Wednesday during the Church season for members of the local community. Members of Baldernock Parish Church attend many of the activities.

We participate and co-operate with local churches in events and activities. A number of our members assist in the running of an ecumenical drop-in centre run by local churches called "Friendship House". The Douglas Academy Annual Christmas Concert is held within the Church and is well run by the members, parents, and friends. Fund raising for Christian charities is a part of St. Paul's witness and outreach, and during this year we supported many charities. The 1st/2nd Milngavie Company of the Boys' Brigade who meet in St Luke's Church is supported by the Kirk Session when required.

We financially and spiritually support our missionary partner in Japan.

Communicant membership of the Church currently stands at around 538 members. Attendance at Sunday worship averages around 190 at the morning service and 100 at the evening Service. The morning service is recorded and available on You Tube.

On-going maintenance of the Church building, and halls complex continues to be achieved to a very high standard. We now have a highly efficient audiovisual team who provide slides for the morning service screens, manage the website and publicity and will take on "Life " magazine, and make live streaming very effective as above.

The congregation donated £1500 to Clyde Presbytery in support of the Holy Land Bursary Scheme.

To fulfil the obligations and commitment of the work and Mission of the Church it is acknowledged that approximately 8,500 voluntary hours are dedicated by the Trustees in any given year.

OBJECTIVES AND ACTIVITIES

Volunteers

In common with all congregations of the Church of Scotland, the congregation benefits from the contribution made by volunteers who give their time and talents willingly for the benefit of the Church. The areas of congregational life which rely on the contribution of volunteers are many and varied and much of the activity would be unable to continue were it not for the commitment shown.

FINANCIAL REVIEW

Financial Review

The financial outcome of the activities for the year is set out in the Statement of Financial Activities on page 6 and the Balance Sheet on page 7 summarises the position at the end of the year.

The principal source of income is from members' offerings on a weekly, monthly, quarterly, bi-annual and annual basis. The methods of giving are by Weekly Freewill Offering Envelopes (non-Gift Aid), Weekly Freewill Offering Envelopes (Gift Aid), Standing Orders (Gift Aid and non-Gift Aid), Cheques and Open Plate (non-Gift Aid), and from Individual Gift Aid envelopes via the Open Plate. In addition, HMRC allows the claiming of Gift Aid on a proportion of the cash portion of the Open Plate offering, through the Gift Aid Small Donations Scheme.

Our payroll costs continue to be reduced by an exemption in Employer's National Insurance contributions, but we are obliged to offer contributions to a pension fund for eligible employees with the Government's NEST Pension Fund as the preference of the Kirk Session.

The General Fund shows a increase in offerings by standing order and envelopes of £8,698. Gift Aid continues to be claimed on the eligible portion of the Open Plate Offering, the open plate decreased by £6,034 and in 2025 £43,737 was received in Gift Aid. In relation to Gift Aid, HMRC continues to process our claims within a week.

As in previous years, the Accounts of the Organisations of the Church are incorporated in the main accounts under the heading of Restricted Funds.

Reserves policy

The policy adopted by the Trustees is dictated by the giving of the members, and monies held in the General Fund generally cover approximately three months expenditure. The Reserves Policy is considered on an annual basis. At the end of the year the Church held total unrestricted funds of £251,243 broken down into designated funds of £180,723, as shown on Note 18, and a general fund of £70,520. The Church also held restricted funds of £841,979 represented by the Property Fund at £611,000 and other restricted Funds of £230,979.

The trustees consider the reserve funds will enable them to continue to run the congregation for the forthcoming year.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Church is administered in the terms of the Church of Scotland Unitary Constitution. The Church adopted this model from the Church of Scotland Model Deed of Constitution on 1 January 2025.

Recruitment and appointment of new trustees

Members of the Kirk Session are the charity trustees. The Kirk Session members are the elders of the church and are chosen from those members of the church who are considered to have the appropriate gifts and skills.

Organisational structure

The Kirk Session has responsibility for the spiritual and pastoral oversight of the congregation and the parish and operates with a pro-active team structure viz Fabric, Finance, Communication, Pastoral Care, Children and Youth, Worship and Discipleship, Mission and Outreach. A member of the Kirk Session is appointed to the role of Safeguarding Co-ordinator in terms of The Church of Scotland Code of Good Safeguarding Practices to protect children and adults at risk from harm or abuse. An Internal Risk Assessment Committee reports to the Trustees with a remit to consider and report on potential areas of risk to Church funds and assets.

St Paul's Parish Church Milngavie

Report of the Trustees
for the Year Ended 31 December 2025

Risk Management

The potential risks and uncertainties facing the congregation include Finance control, recording of receipts, authorisation and payments of sums due, Property, Health and Safety, and Legislation and Personnel. A Risk Assessment Committee has identified each risk, its perceived status and graded each risk as high, medium or low. Responsibility for managing the risk lies with the convener of the designated committee and to whom the risk should be reported. The main risks have been identified and mitigated as best as is possible, although the Risk Assessment Committee remain open to referrals from any individual or organisation within the Church who may have concerns over other risks not yet identified.

Other concerns continue to be the increasing average age of the congregation and historically reducing offerings.

Independent Examiner's Report to the Trustees of
St Paul's Parish Church Milngavie

I report on the accounts for the year ended 31 December 2025 set out on pages seven to twenty one.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention :

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities and Trustee Investment (Scotland) Act 2005. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The Accounts of Church Organisations are checked, and balances verified by members of the Finance Committee of the Kirk Session.

The financial statements are prepared in sterling, which is the functional currency of the charity.

The Trustees have reviewed the charity's operating costs for the next 12 months, and the sources of funds available, and are satisfied that the charity is a going concern.

Incoming resources

All donations and gifts are included within the incoming resources under either unrestricted or restricted funds according to the terms under which the donation is made, and the income is recognised once the charity has entitlement to the funds, it is probable that the income will be received, and the amount can be measured reliably. Donations and associated Gift Aid are accounted for when received. Legacies and similar income are recognised at fair value when the executor is satisfied that the gift will not be required to meet claims on the estate and any conditions have been met or are within the control of the charity. Donations and gifts in kind are brought into the accounts at their market value to the charity, unless it is not practical to do so.

Resources expended

Resources expended are included in the Statement of Financial Activities on an accruals basis, inclusive of any VAT which cannot be recovered.

Resources expended are classified by activity. The costs of each activity are made up of the total direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity.

Fixed assets acquired costing less than £10,000 are written off to expenditure in the period of acquisition.

Tangible fixed assets

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the Church, halls and manse. The heritable properties consisting of the Church and Halls are not recorded in the accounts and are vested in the Church of Scotland Trustees. The title to the manse at 41 Braefoot Avenue, Milngavie is held on behalf of the Trustees of St Paul's Parish Church in name of the Session Clerk, Deputy Session Clerk and Treasurer and their successors in office and the Land Certificate and related documents are lodged with Adairs, Solicitors, 3 Castle Street, Dumbarton G82 1QS. The Manse is nominally valued at £611,000, and expenditure incurred on the repair and maintenance of this asset is charged as resources expended in the statement of financial activities in the period in which the liability arises.

The Manse in Braefoot Avenue which is identified as a tangible fixed asset is not depreciated in the accounts.

Minor low-cost repairs and maintenance items are charged to the General Fund. Other fabric repairs, stonework restoration, development, maintenance and related expenditure are charged to the restricted Fund 'Restoration in Faith' Fabric Appeal established in 1991 for such purposes.

Taxation

St. Paul's Parish Church is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities. The charity is not registered for VAT and resources expended therefore include irrecoverable input VAT.

Notes to the Financial Statements - continued
for the Year Ended 31 December 2025

1. ACCOUNTING POLICIES - continued

Funds

Funds are classified as either restricted funds or unrestricted funds, defined as follows:

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund.

Restricted funds are funds subject to specific requirements as to their use, which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity.

Endowment funds are funds which have been given on the condition that the original capital sum is not reduced, but the income there from is used for the purpose defined in accordance with the objects of the charity.

In our case we have no Endowment funds and as a result we do not show any in the Financial details.

Cash at bank and in hand

Cash at Bank and in hand includes Cash and short term highly liquid investments with a short maturity of 3 months or less from the date of acquisition or opening of the account.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic Financial Instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Fixed Asset Investments

Investments are shown at fair value. All gains and losses are recognised in the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and fair value at the opening balance sheet date (or purchase price if purchased subsequent to the last year end). Unrealised gains and losses are calculated as the difference between the fair value at the year-end date and fair value at the opening balance sheet date (or cost if purchased since the last year end). Realised and unrealised gains and losses on investments are combined in the Statement of Financial Activities.

Pension Costs

The Charity operates a workplace pension scheme for its employees. Contributions are charged to the SOFA as they become payable in accordance with the rules of the scheme.
