STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The District is an unincorporated recognised Scottish Charity and is governed by the terms detailed in the constitution of The Scout Association (incorporated by Royal Charter in 1912) and as detailed in its Policy, Organisation and Rules (POR) and as amended by its Scottish Variations. It is a member of The Scout Association having accepted the aims of the Association.

Appointment of Trustees

New trustees are recruited in accordance with the Policy, Organisation and Rules (POR) of The Scout Association as and when required from existing and new contacts. Any newly appointed trustees are advised of the objectives and activities of the District, and are to act in accordance with the Policy, Organisation and Rules of the Scout Association and the Charities & Trustee Investment (Scotland) Act 2005 in force at the date of appointment. Assistance and learning are provided to new trustees by the existing trustees and all new Office Bearers have to complete the Growing Roots learning within 180 days of joining.

Organisational Structure

The trustees meet at least four times a year and determine policy as well as reviewing finance and determining operational matters.

In line with all groups, and Districts we applied the new Scouts constitution at our 2024 AGM. It follows the standard model Constitution in all ways apart from the fact we are allowing all three District Lead Volunteers to be Trustees, rather than just 1 of them. We feel this better reflects our way of working as three separate Districts supported by 1 Trustee Board. The meeting unanimously approved the change.

Risk Assessment

The District is dependent upon receiving sufficient funding and donations to enable it to continue to work towards achieving its objectives. The Trustee Board has carried out an assessment of all the major risks (including those related to Health & Safety) and is satisfied that it has systems or procedures in place to manage those risks.

All volunteers, regular helpers and Office Bearers must be members of the Protecting Vulnerable Groups (PVG) scheme and have had an enhanced Disclosure through The Scout Association from Disclosure Scotland within the past 5 years. All adult members have also undertaken and been validated for GDPR to ensure that all personal data held by the District is done so securely and in line with the current legislation. All adults in the District must undertake regular First Aid, Safety and Safeguarding learning and the number of non-compliant adults is monitored and has reduced considerably over the years.

OBJECTIVES & ACTIVITIES

The aim of the District is to promote the purpose of Scouting across Perth and Kinross area and to support the aims and objectives of the East Region of which it forms a part together with Angus Dundee and Fife. Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society. The District is organised in line with the Values of Scouting which are that as Scouts we are guided by these values:

Integrity - We act with integrity; we are honest, trustworthy and loyal.

Respect - We have self-respect and respect for others.

Care - We support others and take care of the world in which we live.

Belief - We explore our faiths, beliefs and attitudes.

Co-operation - We make a positive difference; cooperate with others, make friends.

ACHIEVEMENTS & PERFORMANCE

Over the last year there has been significant changes to scouting both nationally and more locally in Perth and Kinross District. At the end of 2024 we said goodbye to the very dated Compass system as the Scout Association launched the new Membership System. The aim is to make managing adult data easier and reduce admin, so that volunteers have more time to focus on delivering skills for life for young people. Prior to the launch of the new system a lot of work went in locally to ensure that all volunteers data was up to date before it was transferred to the new system. Our thanks to all volunteers for your support to help make the transition as smooth as possible. At the same time as the launch of the new Membership System an updated version of POR was published in November 2024. This edition introduced sweeping updates as part of a move toward a team-based volunteering structure. Titles like District Commissioner are now replaced with District Lead Volunteer to emphasize collaboration. The outdated Scout Active Support Units (SASUs) was retired as volunteer roles were organized into Group, Section, District, and Region Teams. Structural enhancements have also been made across governance, adult learning, and section organization.

We saw a move from a “training” approach to a “learning” approach for adult volunteers. It has been recognised that the current adult training scheme, with a large number of modules, typically run face to face, is overwhelming, complex and puts off new volunteers. The new learning system has two elements:

Growing Roots: mandatory learning that must be completed by new leaders within six months of joining. Safe Scouting to be completed in 30 days.

Branching Out: further learning that a volunteer can choose to do, to enhance their skills or if they wish to undertake particular activities.

All volunteers also had to complete the new mandatory, digital-first Safety training course which was introduced by the Scout Association in November 2024, replacing previous modules with a course focused on risk assessment and incident response, developed with the Royal Society for the Prevention of Accidents (RoSPA).

More locally our district has encountered some challenges with the resignation of some trustees in early 2025 following the transition to the new volunteer roles. All trustees who have left us have

given a considerable amount of time to scouting over many years and we thank them for their hard work and wish them well for the future.

It is also important to thank the uniformed leaders who make scouting possible. Their enthusiasm is boundless, their organisational skills are beyond my limits, and their dedication, commitment and loyalty are beyond expectation. You all deserve the praise and thanks from us all.

In addition to it we want to take this opportunity to also say thank you to those unsung heroes who work tirelessly on the paperwork. From the trustees at each group, through the appointments process, the training records and PVG system, to those who endlessly chase up on mandatory learning and those who keep accounts. These are the less than glamorous jobs which none the less are vital to our health and sustainability.

FINANCIAL REVIEW

Overview

The accounts show a net expenditure over income of £11359 for the year (2024 net expenditure over income of £12098)

Reserves Policy

The Trustees believe that around £10,000 is an appropriate level of reserves in order to cover the timing differences between receipts and payments and to allow for any unexpected items of expenditure. District Expenditure is generally the same from year to year unless there is a Blair Atholl Jamborette or World Jamboree when deposits need to be made in advance of funds coming in.

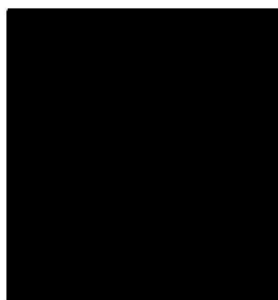

As at the 31st March 2025 the District had free reserves of c£25.5k.

FUTURE PLANS

The District remains committed to supporting Groups and Sections providing an exciting programme of activities for those aged 4-25 in the Perth & Kinross Local Authority area.

APPROVAL

This report was approved by the trustees on 1st September 2025 and signed on their behalf by:

Independent Examiner's Report to the Trustees of Perth and Kinross Scout District

I report on the financial statements of the Perth and Kinross Scout District ("the District") for the year ended 31st March 2025 which are set out on the following pages.

Respective responsibilities of Trustees and Examiner

The District's Trustees are responsible for the preparation of the accounts in accordance with the Charities and Trustee Investment (Scotland) Act 2005 ("the Act") and the Charities Accounts (Scotland) Regulations 2006 ("the Regulations"). The District's Trustees consider that the audit requirement of Regulation 10(1)(d) does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

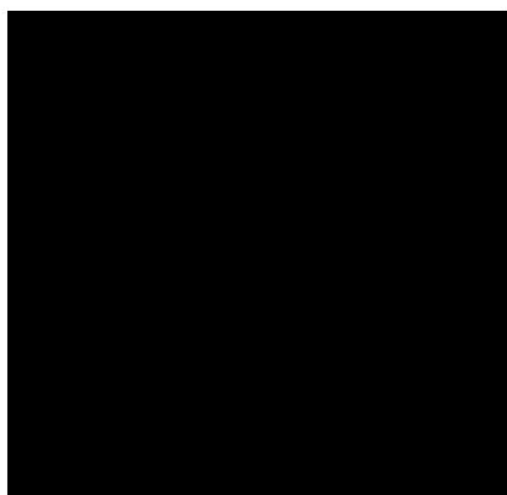

Basis of Independent Examiner's Statement

My examination is carried out in accordance with the Regulations. An examination includes a review of the accounting records kept by the District and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:-

- (1) which gives me reasonable cause to believe that in any material respect, the requirements
 - (a) to keep accounting records in accordance with the Regulations, and
 - (b) to prepare accounts which agree with the accounting records and comply with the Regulationshave not been met, or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
