STRUCTURE GOVERNANCE AND MANAGEMENT

Governing Document

The Group operates in terms of the constitution of the Scout Association, which was incorporated by Royal Charter in 1912 and the Policy Organisation and Rules (POR) of the Scout Association as amended by the Scottish variations.

Appointment of Trustees

The Group's Executive committee are the charity's Trustees. Trustees are recruited, appointed and trained in accordance with the POR of the Scout Association and the Office of the Scottish Charity Regulator (OSCR).

The Group Council normally meets once per year and is the electoral body which supports scouting in the Group. It is the body to which the Group Executive committee is accountable. The Group Council comprises of, the Group Lead Volunteer, Section Leaders, Assistant Section Leaders, Training advisors, Centre Manager, Members, Parents and Supporters.

The Group Executive exists to support the Group Lead Volunteer in meeting the responsibilities of the appointment and is primarily responsible for the maintenance of the Group's property and equipment, raising of funds and the administration of the Group's finance, insurance of person, property and equipment Group public occasions and assisting with the recruitment of leaders and adult support. The Group Executive is therefore responsible for the day to day management of the Group's affairs and who regularly meet to discuss group matters.

OBJECTS & ACTIVITIES

Public Benefit

Membership of the Group is open to all young people between the ages of 6 and 18 regardless of race, gender, colour, faith or disabilities who make the Scout Promise according to their section.

All members will thus benefit from the wide range of complementary educational benefits available from being part of the Scout Association.

There is a further wider public benefit to the local community of Stirling and wider district as well as Scouting in general from the Group activities. Firstly, the centre is rented to a number of diverse community groups including but not limited to, Pilates classes, a Tae Kwando club, Art Classes, Plus (Forth Valley)-charity supporting children and young people with disabilities, Therapy Train-Child and Adult Counselling and a Forward in Faith Ministry Group. It is also used as a polling station by the local authority during elections. Other Scout groups from around the UK and even Europe have made use of the facilities for overnight use when visiting Stirling and Scotland. A number of other community groups have used the halls for "one-off" meetings and events. The facilities are available for community use at the discretion of the Group Executive.

ACHIEVEMENTS & PERFORMANCE

The trustees are pleased to report that during the year ended 31 March 2025, the Scout Group continued to deliver a broad, high-quality programme of Scouting for young people across the Squirrels, Beavers, Cubs, and Scouts sections. Weekly sessions focused on skills development, outdoor learning, and personal growth, with members working towards a wide range of badges and awards. A number of camps and outdoor experiences were delivered throughout the year, providing opportunities for adventure, independence, and teamwork.

It was great to see all of our sections taking part in outdoor activities, including camping. We had a Group Camp at Crook of Devon that was attended by children from all of our sections, where they carried out activities collectively and in their own sections. This was a particularly successful and well attended event that wouldn't have been possible without the leader's dedication to planning and running the event.

Scout Leaders are still planning for the attendance of Scouts and Explorer Scouts at an international camp in Kent in the summer of 2025. Lots of fundraising has taken place to keep the costs down for participants. Again lots of work has gone into planning for this event and the trustees give a big thanks to those leaders who have done this planning and to those who will be giving up their time to ensure a great time is had by all.

Our Squirrel Drey has now been active for nearly a full year and it's great to see the younger children actively involved in Scouting activities.

In addition to running its own programme, the Group also provided administrative support the scout group located in Raploch, helping to sustain and strengthen the provision of Cubs and Scouts activities for young people who benefit greatly from structured, positive opportunities. This partnership work supported continued access to programmes that build teamwork, leadership, and resilience.

The Group's hall remained a well-used community asset, hosting a range of external organisations and activities that benefit the wider local area. Regular users included Tai Kwan Do, yoga and Pilates groups, as well as various community events and children's birthday parties. These activities support community wellbeing, encourage physical activity, and help ensure the hall is fully utilised for the benefit of local residents.

The grounds surrounding the hall were also given a "make-over" including landscaping and the addition of plants to assist with the aesthetic appeal of the building.

Overall, the Group continued to deliver strong and consistent outcomes for young people and the community, maintaining a vibrant programme of Scouting while supporting broader community use and partnership working.

Over the past year our youth membership has increased by 18 and that's mainly due to the addition of the Squirrel section. Although we did see an increase of 14 members across our Scout Sections with a slight drop in our Cub numbers but nothing of any note.

Our Leader numbers have risen by 5 which is always a good thing to note.

One issue to note is that we continue to have a significant waiting list of children seeking spaces at our Squirrel and Beaver Sections some who might never get a space due to the sheer numbers waiting.

FINANCIAL REVIEW

Overview

The total income for the year was £64,613 (2024: £35,833). The hall has continued to be used by the local community and provided income of £12,186 (2024: £9,034). The total expenditure was £49,698 (2024: £48,184) with the main costs being spent on the Kent International trip and costs related to the annual checks for the Scout Hall and its upkeep and maintenance.

Reserves Policy

Our reserves (funds freely available to meet the running costs of the Group) are £13,397 (2024: £15,929 restated). The Executive Committee believes that six months running costs is an appropriate level of reserves in order to cover the timing differences between receipts and payments and to allow unexpected items of expenditure on the Scout Centre or Scout Group. This amounts to £25,000. The Trustees are below this target and continue to seek further funding including additional venue hire where possible to ensure not only the continuation of the group but also the hall that provides much needed community space.

My examination is carried out in accordance with Regulation 11 of the 2006 Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In connection with my examination, no matter came to my attention:-

1. which gives me reasonable cause to believe that in any material respect, the requirements
 - to keep accounting records in accordance with section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Regulationshave not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
