Trustees' Annual Report - Year ended 31 December 2024

Structure, Governance and Management

Governing Document

The Church is administered in accordance with the Unitary Constitution, the terms of which were formally approved at a meeting of the congregation in November 2019.

Recruitment and Appointment of Trustees

Members of the Kirk Session are the charity trustees. The Kirk Session members are the elders of the Church and are chosen from those members of the Church who are considered to have the appropriate gifts and skills to manage the pastoral and business affairs of the Church.

Organisational Structure

The Kirk Session, which usually meets at least four times a year, is chaired by the Minister and is responsible for financial management, the care of heritable property and the spiritual well-being of the Church and its members.

Objectives and Activities

The Church of Scotland is Trinitarian in doctrine, reformed in tradition and Presbyterian in policy. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

Worship at St. Andrew's takes place every Sunday morning, and afterwards the congregation meets informally over tea/coffee – or occasional lunches. Children of all ages are welcome in the church and the Sunday Club usually meets on the first Sunday of the month. Children from the uniformed organizations attend on occasions such as Thinking Day and Remembrance Day services. Communion is celebrated regularly throughout the year.

Achievements and Performance

Sunday morning services are held every week in St Andrew's Church and we are fortunate to have a team of Worship Leaders who support the Minister in the provision of services across the six linkage churches, providing a variety of worship styles and content. St Andrew's offers a blended approach to worship, with the opportunity to join services by Zoom appreciated by those who are

unable to attend in person. A small team of volunteers host the Zoom sessions, with the Powerpoint slides also enabling hymn words and intimations to be projected onto the wall above the pulpit for the benefit of the congregation in the Church.

Organised activities, such as Messy Church, Baby Brunch, Guid Blethers and Table Tennis continue to meet regularly in the two Church halls. Cosy Café (Winter Warmers) continues to offer a warm space for people to meet, with company, soup, tea/coffee, home baking and board games available. The church halls are also used regularly by groups for our younger people, including Boys Brigade, Brownies, Rangers and Rainbows, as well as for other activities such as childrens' birthday parties, weekly Qi-Gong classes, occasional yoga and dance classes and other events such as the CAB drop-in sessions and meetings of the Tuesday Club, the Historical Society, the Horticultural Society and occasionally the village Community Council. The Old Hall was also used during the summer holidays as the venue for a 2 week exhibition of paintings by a local artist to raise funds for charity.

Ties with our linkage partners in West Tweeddale continue to be developed through General Kirk Session meetings and cross-linkage groups focusing on pastoral care, communication and leading worship. A Local Church Review conference was held in January, facilitated by members of Presbytery, to enable discussion and reflection on progress made since the linkage was formed and to identify opportunities for further development as a worshipping community. Ties across the linkage were further strengthened at a successful Saturday morning linkage gathering event held in Broughton village hall in October. Online and in-person linkage study series were held during Lent and again during Advent. In St Andrew's an important element of pastoral care to the wider community continues to be evidenced by the delivery of flowers, particularly in times of illness or bereavement.

During the year the appointment of [REDACTED] as the new linkage Administration Assistant was confirmed. [REDACTED] is based part-time in the linkage office in the Old Church Hall.

Elsewhere, support was provided during the year for other charities, including Christian Aid, Peeblesshire Youth Trust Christmas hampers, Salvation Army gift collections and the annual Blythswood Shoebox Appeal. Retiring offerings were made in support of Poppy Scotland, Bethany Christian Trust and Crossreach. The Minister's Benevolent Fund remains available to provide support at a local level where required.

Financial Review

The principal sources of unrestricted income are Weekly Freewill Offerings, Monthly Standing Orders and other donations, tax recovered from Gift Aid payments, interest and dividends on investments and letting charges from the two Church halls.

Headline income from Freewill Offering and Gift Aid donations during 2024 was up by around 4% compared to 2023. Other income was boosted by the award of a grant of £7,800 from the Kenny Paul Trust which significantly offset recent expenditure on new flooring and repairs to a shed roof at the New Church Hall.

Tax recovered under the Gift Aid scheme continues to be an important source of income, again netting around £7,500 in 2024. Tax-payers are encouraged to make use of this by completing a Gift Aid declaration in favour of the church and making their contributions via standing order or Freewill Offering envelopes which can then be evidenced for tax reclaim purposes.

Income from hall rent increased by 9.5% compared to 2023, reflecting the first full year of the higher charges that were introduced in October 2023. Early Learners continue to be the main user of the New Church Hall, operating on a 4.5 day week basis from August 2024.

Setting aside the grant income mentioned above, overall income for 2024 was around 5% higher than in 2023.

Expenditure in 2024 was up by around £14,000 (or 22%) on the previous year, with the key reasons for this being a £5,000 (or 59%) increase in electricity costs (reflecting the significantly higher renewal terms for the Church of Scotland Energy Scheme effective from October 2023), a £4,000 increase in property repair and maintenance expenditure (reflecting the £14,000 bill for the work carried out on the roof and walls of the Church building in 2023/4), the £3,000 cost of repairs to fencing at the Glebe and a £2,000 increase in the Giving to Grow (Ministries and Mission) contributions payable to the central church during 2024.

The net effect is an £8,000 shortfall for 2024 which serves to further reduce cash reserves. It should be noted though that VAT recovery of £2,300 on the above costs of repairs to the church (due to its listing building status) would have reduced the shortfall to around £5,700 had it been received in 2024 rather than in early January 2025.

As always, it will remain important for income levels to be sustained and for expenditure to continue to be prudently managed. A number of members have voluntarily increased their regular offerings during the year, in recognition of the general cost of living increases, and the Trustees are grateful to them and to all who continue to faithfully contribute to the financial well-being of our Church.

Reserves Policy

For some years the Trustees' stated objective has been to maintain reserves of at least £35,000 to meet unexpected expenditure on maintaining the three ageing public buildings belonging to the Church.

While available funds exceed this sum, it is recognised that further expenditure on the Church building, principally on interior decoration, is likely to be incurred in the short term.

Statement of Trustees' Responsibilities

The members of the Kirk Session must prepare financial statements which give sufficient detail to enable an appreciation of the transactions of the Church during the financial year. The members of the Kirk Session are responsible for keeping proper accounting records which, on request, must reflect the financial position of the Church at that time. This must be done to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 and the Regulations Anent Congregational Finance approved by the General Assembly of the Church of Scotland in 2007. They are also responsible for safeguarding the assets of the Church and must take reasonable steps for the prevention and/or detection of fraud and other irregularities.

Approved by the Trustees and signed on their behalf:

St. Andrew's Parish Church of Scotland - West Linton Independent Examiner's Report to the Trustees

I report on the accounts of the Church for the year ended 31 December 2024 which are set out on the following pages 8-13.

Respective responsibilities of Trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustees Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations
- have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

In addition, the balance at 31 December 2024 of the Manse rental income in the Consolidated Fabric Fund held by the General Trustees for St Andrew's Church was £67 (2023: £64)

6 Minister's Stipend

All Church of Scotland congregations contribute to the National Stipend Fund which bears the cost of all ministers' stipends and employer's contributions for national insurance, pensions and housing and loan funds. Ministers' stipends are paid in accordance with the national stipend scale, which is related to years of service. For the year under review the minimum stipend was £31,642 and the maximum stipend (after 5 years) was £38,884.

7 Kenneth Paul Trust

The Kirk Session has responsibility for the fund of the Kenneth Paul Trust. However, this is entirely separate from, and forms no part of, the Church's accounts.
